

IOWA ASSOCIATION OF SCHOOL BOARDS
707 MIDLAND FINANCIAL BUILDING
DES MOINES, IOWA 50309 515-288-1991

February 29, 1984

TO: All School Board Members, Superintendents, and AEA Administrators
RE: Statement of Concern - 1984

The process of establishing the 1984-85 legislative Beliefs and Resolutions of the Iowa Association of School Boards is ready to begin. Statements from school board members and from all local school boards, Area Education Agency boards and merged area school boards in Iowa are strongly encouraged.

The STATEMENT OF CONCERN is the "building block" from which the IASB Legislative/Resolutions Committee will draft proposed Beliefs and Resolutions for consideration by the Delegate Assembly on June 20, 1984. The Beliefs and Resolutions formally adopted by the Delegate Assembly will guide the Association during the 1984 interim period and 1985 session of the Iowa Legislature, and assist school board members in expressing their concerns to state representatives, senators and other elected officials.

Individual board members are encouraged to submit statements of concern to their boards for discussion and consideration. School boards are urged to adopt resolutions setting forth the primary concerns of their membership, and to submit those resolutions as statements of concern of the school board. Board resolutions, as well as individual statements of concern, should be forwarded to the IASB office, not later than April 13.

Any issue which pertains to education is eligible for submission. In the past, we have received some statements which expressed support or opposition by referring only to a bill number. In order to completely understand the statement of concern, please tell us the specific issues which are supported or opposed. Be predictive! The Beliefs and Policies of IASB not only state the Association's current beliefs and policies, but also look ahead to emerging educational issues that will be confronting future Iowa legislatures.

A copy of each Statement of Concern will be forwarded to the school district's three Legislative/Resolutions Committee representatives and IASB District Director, as soon as it is received. All statements will be categorized by subject matter area and will be submitted to all members of the Legislative/Resolutions Committee prior to the May 9 meeting of the Legislative/Resolutions Committee.

Following are the steps in the IASB Beliefs and Resolutions process:

1. Boards and Individuals Complete Statement of Concern - Deadline April 13
2. Receipt by IASB
3. Copies to Legislative/Resolutions and IASB Representatives
4. IASB Staff Consolidation by Subject
5. Legislative/Resolutions Committee Meeting - May 9
6. Printing of Draft Beliefs and Resolutions (L/R Committee Report)
7. All IASB Members Receive a Copy of Draft Beliefs and Resolutions
8. Last Day Delegates May Submit Additional Resolutions - June 15
9. Delegate Assembly Action on June 20, 1984

USE THIS FORM TO SUBMIT STATEMENT OF CONCERN TO IASB LEGISLATIVE/RESOLUTIONS COMMITTEE

Please type each statement single-spaced. Leave ½" margin left and right. Double-space between statements. Begin all statements with the phrase, "The board of directors of Adel-DeSoto school district (believes/supports/opposes)..." Reproduce this form if you need more space.

Submitted by: Adel-DeSoto School District

The Board of Directors of the Adel-DeSoto School District believes that IASB should become more aggressive in sponsoring favorable legislation rather than defending against unfavorable legislation. The legislation sponsored should not only protect local control and management rights but should attempt to re-gain authority that has been lost.

TO THE PRESIDENT AND BOARD OF DIRECTORS OF THE ADEL-DE SOTO
COMMUNITY SCHOOL DISTRICT, IN THE COUNTIES OF DALLAS AND
MADISON, STATE OF IOWA:

We, the undersigned, qualified electors of and residing within the aforesaid School District, and being in number more than 25% of those voting at the last election of school officials, being satisfied that it is necessary for the said School District to provide funds to defray the cost of the school building program described in the ballot proposition below, and for such purpose to issue School Bonds of said District in an amount of not to exceed \$3,490,000.00, and that such purpose cannot be accomplished within the limit of one and one-quarter percent of the assessed value of the taxable property within said School District, do hereby petition the Board of Directors of said School District to call a special election and submit thereat to the voters of said School District, to be by them voted upon, the following:

"Shall the Adel-DeSoto Community School District, in the Counties of Dallas and Madison, State of Iowa, be authorized to contract indebtedness and issue general obligation bonds in an amount of not to exceed \$3,490,000.00, to provide funds to defray the cost of building and furnishing a new high school building (9th through 12th grades)?"
