TO:

Board of Directors

FROM:

Greg Dufoe, Superintendent

SUBJECT:

Memorandum for January 9, 2012

Personnel contracts:

I recommend the following new contracts:

Bob Cooper, van driver, effective date pending return of successful background checks Lloyd Michael Jones, HS teacher associate, step 1, effective 1/9/12 David Pittman, hourly driver, effective date pending return of successful background checks Cindy Shelton, DS teacher associate, step 1, effective 1/3/12

Pending resignation:

Della Weems, Mock Trial coach

Second reading of Board Policy 400 series (Exhibit 1):

We are bringing the second and final reading of Board policy series 400 to you. This is the "Personnel" series and is one set of policies crucial to review adequately. We had an attorney from Ahlers and Cooney provide guidance on any and all suggested changes. The changes are not dramatic for any of the policies and most have no changes at all.

Assistant to Central Office Staff job description (Exhibit 2):

Enclosed please find an updated job description for the Assistant to the Central Office Staff position. We will be filling this vacancy in the very near future.

Early Retirement applications:

We received nine early retirement applications:

Administrator Carole Schlapkohl

Teachers Karla Kearney, Sharon Mullarkey, Dan Severidt, Jack Stanley, and Owen Stump

School Nurse Cynthia Eby

Classified Employees Brad Nydegger and Bruce Stanley

If the Board accepts and approves all nine applications, the cost to the district will be \$201,732.15. The early retirement incentive is paid out of the management fund.

Cooperative Agreement with Central College - student teaching (Exhibit 3):

Enclosed is the student teacher agreement with Central College for Board approval.

MODIFIED ALLOWABLE GROWTH - DROPOUT PREVENTION APPLICATION (Exhibit 4):

Included in your Board packet is a copy of the 2012-13 application for Modified Allowable Growth for Dropout Prevention and FY13 budget. I recommend approval of this application. We have certified our application, but the DE may provide feedback and allow changes in the next few weeks.

Board of Directors January 9, 2012 Page 2

Dropout Prevention is funded with property tax dollars on a basis of 25% or more from the district costs and up to 75% by an increase in allowable growth. The state has really been working on the data necessary to support the use of these funds at the local level and to evaluate the effectiveness of district's plans to prevent dropouts, assist returning dropouts, and to assist students at-risk of not achieving.

Possible motion: "I move to approve the application for Modified Allowable Growth for Dropout Prevention for the 2012-13 school year in the amount of \$370,129."

SET EARLY START CALENDAR PUBLIC HEARING:

I recommend setting a public hearing for our February 13 Board meeting regarding an early start calendar for 2012-13. The purpose of this hearing is to gather any input from citizens in regard to starting school prior to September 1 unless that falls on a weekend. I will recommend that we apply to the Department of Education to be allowed to start earlier than lowa code allows, as we have for the past few years. This will not obligate us to do so, but gives us that ability if we choose to adopt an "early start" calendar.

We will discuss our calendar options as of this time later in the board meeting.

INFINITE CAMPUS STUDENT INFORMATION SYSTEM (Exhibit 5)

Included in your packet is information regarding our search to replace our current student information system (JMC) with a more robust system, Infinite Campus. The process has been a good one, and the ADM personnel involved in the decision-making are overwhelmingly in favor of Infinite Campus over the second choice, Power School. The group believes strongly that it is time to move away from JMC and Infinite Campus is our best choice.

Kendra Wolf will be on hand to discuss the process and to answer any questions you might have regarding Infinite Campus.

I recommend approval of the contract with Infinite Campus for \$38,190.

Approval this month allows adequate time to work with Infinite Campus on the start-up/roll-out process heading into 2012-13.

Administrative Reports/Discussion items:

2012-13 draft calendar options (Exhibit 6)

We will discuss the two draft calendars we have at this point. The first option looks much like our current year calendar. The second option has a later start (August 20) that is after the State Fair. We have reviewed these options at the administrative team level and are ready to take to our building staffs for feedback after our discussion at the board level.

The second option looks very favorable. The issue of the difference in days between the first and second semester is a point that we will continue to examine. The impact of this is felt at the secondary level with semester-long classes. We do feel that having semester exams taken prior to break is the best thing from an instructional standpoint.

Please review prior to the meeting and I look forward to your thoughts/comments.

Board of Directors January 9, 2012 Page 3

FY 13 budget review (Exhibit 7)

Included in your packet is a PowerPoint presentation Nancy will review at our meeting. Allowable growth has been set at 2% for FY13. This month really begins the budget development process.

PPEL Technology Plan updates (Exhibit 8)

We will bring the Board up to date on our campaign plan leading up to the PPEL election on February 7. In your materials is an updated campaign plan. Adam Kurth and I are attending several civic organizations and city council meetings in the coming weeks. Adam and Jim DePue are presenting to the Minburn City Council tonight, in fact.

We will also share the timeline in place to secure the advanced funding from PPEL due to our loan plan.

A mass mailing to all district residents will be going out soon. This mailing includes a flyer and a short letter from me.

We have scheduled a community meeting for January 19 at 7:00 pm in the Board room.

Curriculum updates

I will take some time to update the Board on our curriculum work in science, math, and physical education. Carole Erickson will also provide an update on written language professional development. Monday, January 16 is a full day of PD and curriculum work for us.

Facility improvements – review proposed projects and financing (Exhibit 9)

Included in your materials are updated project lists for both Outdoor Facility (athletic facilities) and the 10-year Facility Plan. On the back of each page is a summary of completed projects in these areas. I have left most of the items in place on the overall facility plan with the addition of the priority to complete the classroom renovation necessary for the GTT program and another middle school science classroom.

The outdoor facility master plan includes several new projects listed in priority order as suggested by Doug Gee. We will discuss these at our meeting.

Nancy will share a SILO revenue update so we have an idea about available funds. I am focused intently on the room renovations. Without these, the GTT program can't happen. New lights at the track complex are a high priority based on the inadequate lighting and the deteriorating nature of the poles.

We will bring back this discussion in February with more detailed information on available funding. This entire conversation could build towards a more comprehensive look at our facilities, enrollment trends, curricular needs, funding available, in order to build a comprehensive, rock solid plan.

STATEMENT OF GUIDING PRINCIPLES

It is the policy of the Board of Directors of the Adel DeSoto Minburn Community School District to provide an educational program of the highest standard possible and feasible and to fulfill the mission statement of the District. Success in attaining these goals is dependent in large measure upon the competency of the personnel of the District. Therefore, it shall be the policy of the Board of Directors to recruit and retain employees who exhibit the highest standards of professionalism and competency.

Each member of the District's staff provides an important service for the students--whether teaching or assisting in the classroom, working in the office, preparing meals, maintaining facilities, transporting students, or performing other duties. Each employee has an impact on the school environment by his/her dedication to work and his/her actions, verbal and nonverbal. Each employee shall be expected to be a positive role model for the students. All District personnel shall strive to promote a cooperative, enthusiastic, and supportive learning environment.

It is the policy of the Board of Directors to delegate to the superintendent and to the superintendent's administrative staff decisions regarding personnel matters, except as may be specifically limited by Board policy or by law.

Except where a specific provision has been collectively bargained governing the employment relationship, all employees of the District shall be governed by the policies of the Board of Directors and by administrative procedures, rules and directives.

The Board reserves its discretion, which may be delegated to administrative personnel, to determine the number of employees, the qualifications for and the duties of each position in the District, and the required standards of performance of employees.

Persons employed by another organization to perform services for the District shall not be granted salary or benefits by the District, but shall be subject to other District policies and administrative procedures, rules and directives while performing services for the District.

HARASSMENT

Purpose. The District is committed to promoting positive intercultural, intergroup relationships. The District, therefore, prohibits acts of intolerance or harassment toward others because of race, color, gender (including pregnancy), religion, creed, ethnic background, national origin, age, genetic information, physical or mental disability, sexual orientation, gender identity or other factors that are likewise not rationally related to the individual's employment. Such acts may be treated as just cause for purposes of discipline, including discharge.

Sexual Harassment.

General. It is the policy of the Adel-DeSoto-Minburn Community School District to maintain a learning and working environment that is free from sexual harassment. Because of the District's strong disapproval of offensive or inappropriate sexual behavior at work, all employees, officials and visitors must avoid any action or conduct, which could be perceived as sexual harassment. It shall be a violation of this policy for any employee, official or visitor of the District to harass others through conduct or communications of a sexual nature as defined below.

Definition. Sexual harassment shall consist of unwelcome sexual advances, requests for sexual acts or favors, and other verbal or physical conduct of a harassing nature where:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting that individual; or
- Such conduct has the purpose or effect of substantially interfering with an individual's employment or creates an intimidating, hostile, or offensive employment environment.

Sexual harassment may include, but is not limited to the following:

- verbal harassment or abuse;
- pressure for sexual activity:
- · repeated remarks to or about a person with sexual or demeaning implications;
- unwelcome touching;
- suggesting or demanding sexual involvement accompanied by implied or explicit threats concerning one's job;
- · the telling of offensive jokes and stories;
- · display of sexually graphic pictures; or
- conduct of the nature described above using any electronic means of communication.

Procedures. Any employee who alleges improper harassment by any person in the District may follow the complaint procedures set forth in Policy 402.19. The complainant may bypass any step of the complaint procedure where the person to whom the

complaint is to be lodged is the alleged perpetrator. The complainant may file the initial complaint with the compliance officer.

The complainant may be required to complete a harassment complaint form and to turn over copies of evidence of harassment, including, but not limited to, letters, tapes, and pictures. The investigator shall promptly commence an investigation and proceed to completion. Both the complainant and the alleged perpetrator will be given an opportunity to give a statement. A written investigation report shall be completed, and a summary of the report, including a finding that the complaint was founded, or inconclusive will be forwarded to the complainant and to the alleged perpetrator.

HARASSMENT

Compliance Officer. The business manager shall be designated as the District's compliance officer to insure that applicants and employees are treated in accordance with this policy. In the event the business manager is the alleged perpetrator, the superintendent shall be the alternate compliance officer.

Confidentiality. Sensitive information will be handled in a manner consistent with the District's legal obligations, and with the necessity to investigate allegations of misconduct and to take corrective action when this conduct has occurred. Complaints of harassment shall not be filed in the complainant's personnel file.

No Retaliation. No person shall retaliate against any person because the person has filed a harassment complaint, assisted or participated in an investigation, or has opposed language or conduct that violates this policy, as long as the participation or action was done in good faith. Any person found to have engaged in retaliation in violation of this policy, state, or federal law shall be subject to discipline, up to and including discharge.

Corrective Actions. The District will take action to halt any improper harassment and will take other appropriate corrective actions, including disciplinary measures, which may include discharge of a perpetrator, to remedy all violations of this policy.

Notification. Notice of this policy will be circulated to all school buildings on an annual basis and incorporated into staff handbooks.

Staff Development. Periodic training shall be provided to all staff regarding the nature and prohibition of sexual harassment

There shall be a statement that the contract is invalid if the administrator is under contract with another board of directors in lowa covering the same period of time until such contract shall have been released or terminated.

PROBATIONARY STATUS

The first three consecutive years of employment of a licensed employee (other than of an administrator) in the Adel DeSoto Minburn Community School District shall be a probationary period, unless the employee has already successfully completed the probationary period as a licensed employee in another lowa school district. Non-administrative licensed employees who have previously successfully completed a probationary period in another lowa school district will serve a one year probationary period in the Adel DeSoto Minburn Community School District.

For purposes of this policy, a licensed employee shall be deemed to have met the requirements for successfully completing a probationary period in another lowa school district if the licensed employee was employed in the prior district for the requisite number of years, received a satisfactory or better evaluation for the most recent formal evaluation, and has not engaged in conduct which would disqualify the licensed employee from receiving a continuing contract from the prior district.

The first two years of employment of an administrator in the Adel DeSoto Minburn Community School District shall be a probationary period.

Only the Board, in its discretion, may waive the probationary period for any licensed employee. The Board may extend the probationary period for one additional year with the consent of the licensed employee. The Board will make the decision to extend or waive a licensed employee's probationary status based upon the superintendent's recommendation.

RESIGNATIONS

Form. Resignations shall be submitted in writing, signed and dated by the resigning party and delivered to the secretary of the Board of Directors.

Regular Time for Submitting Resignations.

Administrators. Administrators shall submit their written resignations in the last year of the term of their employment on or before May 1, or on or before the date specified by the Board for return of the contract, whichever date occurs first.

Licensed Employees Other Than Administrators. Licensed employees, other than administrators, shall submit their written resignations on or before the last day of the school year or on or before the date specified by the Board for return of the contract, whichever date occurs first. The Board may require a continuing employee who has resigned from an interscholastic coaching contract to accept the contract for one additional year if a good faith effort to find a suitable replacement has been made but the position is not filled by June 1.

Classified Employees. Classified employees shall submit their written resignations at least fourteen (14) calendar days prior to their departure dates.

Early Release Requests by Licensed Employees.

The Board recognizes that there are some circumstances that force an employee to request a release from a contract before the expiration date of the contract. The Board also recognizes that the District suffers difficulties and expenses in finding a suitable replacement, fewer applicants may be available during a contract term, and that a late resignation causes disruption to the District's programs. The Board believes that any employee who signs a contract should fulfill the contract to the best of the employee's ability.

A licensed employee who wishes to resign a contract before the expiration date of the contract shall submit a signed written request setting out the reasons for the requested release and the date of the requested release. The licensed employee shall be released from the contract only if the Board, in its sole discretion, determines that an unusual and extreme circumstance exists for an early release from the contract and a suitable replacement is found.

Licensed employees requesting a release from a contract after it has been signed will be required to reimburse the District the <u>actual</u> expenses of finding a replacement, not to exceed One Thousand Dollars (\$1,000). Payment of these costs shall be a condition for release from the contract.

The licensed employee shall be expected to continue performing services under the contract until a suitable replacement can be secured and a written release is obtained from the Board.

A licensed employee may seek a waiver from the Board of any of the conditions set forth for requesting a release prior to the expiration date of the contract. The Board, on its own or following a request, may, in its discretion, waive any of the conditions.

In the event a licensed employee terminates employment without proper release, the superintendent is directed to file a complaint with the lowa Board of Educational Examiners, and the superintendent may pursue any other remedies under the law.

The superintendent may impose the following disciplinary sanctions for breach of expected behavior: verbal or written warnings or reprimands, disciplinary probation, and disciplinary suspensions not to exceed ten (10) workdays (with or without pay). The nature and duration of the disciplinary sanction shall depend upon the seriousness of the offense, extenuating or exacerbating circumstances, and the employee's prior work record. The sanctions listed in this policy are not intended to provide a rank ordering of sanctions, and probation or suspension may be imposed without first imposing a warning, or an employee may be discharged without first applying any of these sanctions.

Procedures. Prior to imposing a disciplinary sanction, the employee shall be orally told of the charges and given a summary of the evidence supporting the charges. The employee shall be given an opportunity to respond to the charges. No delay need be given between notice of the charges and the chance to respond. Written notice of the terms of the disciplinary action shall be given to the employee other than for oral warnings or reprimands. If the employee believes that the disciplinary sanction is unwarranted, the employee may file a complaint utilizing the procedures of policy 402.19. At any step of the complaint procedure, the person hearing the complaint may impose a less severe or more severe disciplinary sanction.

Suspensions Pending Action. An employee may be suspended by the superintendent with or without pay pending an investigation into charges against an employee or pending the commencement of discharge proceedings. This shall not be deemed a disciplinary suspension and shall not be covered by the procedures set forth in the prior paragraph. If an employee who is placed on paid leave is subsequently convicted of a Class "D" felony or greater, that employee shall repay the District all wages paid while the employee was on paid leave, as well as any termination payments made pursuant to the employee's contract or collective bargaining agreement with the District, if any.

Discharge. The Board of Directors may terminate the contract of a licensed employee in accordance with applicable provisions of Chapter 279 of the *Code of Iowa*. Sanctions specified in this policy need not be first utilized. The Board of Directors may terminate the employment of an individual who holds a coaching contract but not a teaching contract with the District or who is authorized but not licensed to coach at any time or in accordance with the terms of the contract.

The superintendent may terminate the employment of a classified employee immediately for cause or upon fourteen (14) calendar <u>days' notice</u> for any reason. The classified employee may appeal the action utilizing the procedures of policy 402.19.
