

Making Number Stories:

Roll the die once. Write that number. ____

Roll the die again. Write that number. ____

Use both numbers in a number model. _____

Now, make up a number story to go along with your number model.

Use these words:

- There are _____.
- Each _____ has _____.
- How many _____ in all?

Read your number story to a partner. Have that partner draw the number story.
Check answers.

You will need ONE die .
