### Registration for the 2022-2023 school year

Registration for the 2022-2023 school year is now open online for returning students. Guardians will need a valid email address and a Skyward Family Access login (student logins do not work for online registration). Please click [HERE](#) to register. If you do not have your login information for Skyward Family Access, click [HERE](#) and select "forgot your login/password". All student fees can be paid online, but they do not have to be paid at this time to complete registration. If you have had a change of address, change of guardianship, or are new to the Alton School District you will not be able to complete registration online. If you have questions you can contact us here at East or the Administrative Center (618-474-2600). More information can also be found online at [altonschools.org](http://altonschools.org) under the 2022-2023 Online Registration tab.

### Bobo's Fundraising Pick-up

We will have pick up for the Bobo's fundraiser at East in the Cafeteria from 3:30-5:30. Please make sure all fundraising items are picked up that day as it is the only day that they will be here for delivery. You will need to pull around to the back of the building for pick-up. The game truck will be here for students who qualified on May 10 from 9-9:30.

### Report Card Pick-up

Students must be present on Monday, May 23 in order to receive their report card. If students are not in attendance, parents may pick up their child's report card between 12:30-3:15.

Sincerely,
