WELCOME TO THE LA GRANADA FAMILY

August 2018

Dear Parents and Guardians,

Welcome to La Granada Elementary School! We are proud of our school and its educational program. We look forward to working with students, parents and community members in educating our children.

Our district's vision is that in Alvord, all students will realize their unlimited potential! We cannot accomplish these goals without you, and we ask for your support in meeting these goals.

It is critical that students attend school each and every day and they arrive to school ON TIME. Students should be in their lines when the 7:55 am bell rings. Instruction begins promptly at 8:00 am. Please arrange vacations, medical and dental appointments around our district's calendar and our daily school schedule. When your child is out sick please call, visit the school office, or send a note to the teacher.

Please review the mandatory dress code and encouraged uniform policy. Above all, we expect that modesty is maintained by all students at all times. In an effort to encourage students to wear the La Granada uniform, we permit students to wear their La Granada spirit shirts and any college shirt as part of the uniform each day! Please read this dress code carefully.

School-home communication is highly encouraged. If you have questions call the school at 951-358-1615. If you wish to discuss a matter with your child's teacher or principal, please make an appointment.

Please keep this handbook to refer to throughout the school year. Be sure you and your children read and sign the enclosed sheet and return to your child's teacher. We look forward to meeting you and working together to ensure your child's success.

Sincerely,

Rosa Gomez

IMPORTANT INFORMATION

EMERGENCY INFORMATION

When your child is registered for the school year, you are required to fill out emergency contact information which we keep on file in the office. In case of an emergency, we will always call home first. **It is critical that you give us up-to-date emergency contact phone numbers on file in the office in the event we cannot reach you.** The person designated as your emergency contact must be someone who can reach the school in a reasonable length of time. Please notify the office of any changes in your address or phone number. **Remember, we will not release your child to people who are not listed under emergency contacts.**

It is essential that the information include:

1. A home phone number and/or business phone number
2. Emergency contact phone numbers of those you have authorized to pick up and care for your child in your absence
3. The name, address, and phone number of your child's doctor
4. At least three people the school can contact in case of an emergency

ATTENDANCE POLICY AND PROCEDURES

All students are expected by state law, to attend school every day unless they are ill. Dental and medical appointments should be scheduled after school or during vacation time. Students must not only attend school daily but arrive on time. All students must be on campus when the first bell rings at 7:55 a.m. Please send a note or call the office with the reason for absence or tardy the day of or the day after the absence. Students arriving late to school must check into the office. **Continuing this year, if your child arrives late or tardy, an adult must accompany the child in to the office.**

When a student arrives to school late, he/she disrupts the instruction already in progress and causes an unnecessary distraction to the class. Furthermore, students who arrive late to school often feel embarrassed for showing up late. We ask parents to please do their part to avoid students arriving late to school.

Early Departure: Some parents pick up their children early from school frequently. These are logged and counted in your child's attendance record. Again, this causes a disruption to the educational process. Thanks for doing your part to ensure that your child is in school for the entire school day.

STUDENT ARRIVAL AND DISMISSAL

Student safety is very important. The following are suggestions and rules which will help your child be safe.

1. Parents must insist that children go directly to and from school. We encourage parents to never let students travel alone to and from school.
2. Students should not arrive before 7:30 a.m. unless they are in the Breakfast Program which starts at 7:20 a.m. **There is supervision in the cafeteria beginning at 7:20 a.m. for the Breakfast Program, but there is no supervision prior to 7:30 a.m. on the playground or in classrooms.**
3. All students must enter and exit our campus through the gates on Jones or the Tyler parking lot gate.
4. **You may not park across the street at the district office, in red zones, or in the middle of the street when dropping off or picking up children.**

5. **You may not park on the west side of Jones and cross the street. The implementations of the arrival and dismissal procedures were established so that students or parents do not have to cross the street in unsafe areas.**
6. **Left hand turns in to the Tyler Parking Lot are prohibited.**
7. **No vehicles are to be left unattended during arrival or dismissal along Jones or Tyler. This impedes the flow of traffic. Many people have left their cars unattended and this has negatively affected the traffic.**
8. **Parents that pass and park in the Tyler parking lot may not enter the parking lot after the dismissal bell rings. If you arrive after the dismissal bell, you won't be allowed to enter the lot. Please park safely on the south side of Keller or join the pick-up line. Dismissal for kinder is at 12:20 and dismissal for 1st-5th grade is 2:15. Dismissal on Tuesdays for 1st-5th grade is at 1:00 pm.**

PLEASE HELP US KEEP ALL LA GRANADA STUDENTS SAFE BY FOLLOWING THESE RULES. If everyone follows the policies in place, all students will safely enter and exit the school in a timely manner.

PETS ON CAMPUS

Parents bringing or picking up their children from school are asked not to bring pets of any kind on the La Granada campus. Pets are not allowed in the office.

LOST AND FOUND

Lost items, including clothing, may be claimed from the Lost and Found container, which is located in the MPR. In order to minimize the number of items lost, please label personal belongings on the inside with your child's first and last names.

BICYCLE RIDING RULES

1. **Only students in grades 4 and 5 are allowed to ride a bike to school.**
2. All students are expected to obey all traffic laws, including wearing a bike helmet while riding their bike to and from school.
3. Bicycles must be kept and locked up in the bike rack.
4. All bike riders must walk their bicycle on campus at all times.
5. Students who ride a bicycle to school must have a completed bike riding contract on file in the office.
6. Students are not allowed to ride doubles, and are not allowed to bring skateboards, skates, rollerblades, and scooters to school.

Failure to follow these rules may result in the loss of bike riding privileges.

LOST AND DAMAGED BOOKS

According to California Education Code, section 48900, parents are liable for the damage or loss of books that have been loaned to their child during any given school year. All lost/damaged books and instructional materials will be charged at the replacement fee for the book(s). Parents are liable for paying to replace all lost or damaged textbooks and library books.

REPORTING PUPIL PROGRESS

Individual parent conferences are held once each school year. Conferences provide parents and teachers with an opportunity to discuss each student as an individual and to identify goals for academic progress. Through a free exchange of information and ideas the school becomes more effective in planning and carrying out programs that meet each child's individual needs. Either the teacher or parents may initiate additional conferences. Parents are encouraged to make communication a two-way process. Contact the

school and make appointments for conferences whenever you deem it necessary. Report cards and progress reports will each be provided two times a year. In addition, communications from school personnel concerning the behavior, homework, or other personal matters will be sent to you if the need arises.

CLASSROOM INTERRUPTIONS

At La Granada Elementary, student achievement is a focus and a priority. Toward that end, we will make every effort to reduce classroom interruptions.

We are asking you to help us by:

- Not calling the office to relay messages to your child. If you must speak with your child please call after 10:00 a.m.
- **Informing your child before they leave for school in the morning of any plans for after school that they may need to know such as—**
 - Who is picking them up after school?
 - Which exit are they going to? Jones? Tyler?
 - Do they need to go to daycare?
 - What do they do if it rains?
 - Do they have their homework?
- **Making sure lunch is taken care of by—**
 - Seeing that they take their lunch with them to school.
 - Checking if they have enough money for that day.
 - Purchasing extra lunches (by having money in the account) in case of a forgotten lunch or an emergency. Please see lunch personnel if you are interested in this option.

PHYSICAL EDUCATION

All students in grades 1-5 will participate in 100 minutes of Physical Education class each week. Students may wear a hat (that follows the uniform policy) during this outside instruction. Please send your student with water only. Juices, soda, Gatorade etc. will not be permitted. Regular water breaks will occur. If it is too hot or raining, PE instruction will take place indoors.

SNACKS

Students are encouraged to bring a healthy snack to eat during their morning recess break. Students may not share snacks as that can lead to issues of conflict between other students. Please refrain from sending your child with such food as Hot Cheetos, Takis etc.

ELECTRONIC & WIRELESS COMMUNICATION DEVICES (CELL PHONES)

In general, students have no need to bring cell phones to school. Students shall not use, display, transmit or have in the “on” position on school property any wireless communication device, including but not necessarily limited to, cellular telephones, paging devices, two-way radios, cameras or similar devices until after the conclusion of the school day.

Students shall be personally and solely responsible for the security of their cell phones. However, any device possessed or used in violation of this rule may be immediately confiscated by school personnel. Absent compelling and unusual circumstances, wireless communication devices that are confiscated by the schools will only be returned to the student’s parent or guardian. Alvord Unified School District shall not assume responsibility for theft, loss or damage of a cell phone or any other personal wireless communication device. Students who violate the above restrictions shall be deemed to have created a disruption to the instructional environment and will be subject to appropriate disciplinary action, generally up to and including short-term suspension. Additional aggravating factors subject a student to more stringent disciplinary consequence when the circumstances warrant:

Using wireless communication devices to reproduce images of tests, to access unauthorized school information or to assist students in any aspect of their instructional program in a manner that violates any school board policy, district or school code of conduct is prohibited. Further, using cellular telephones or other devices with photographic capabilities in classrooms, playground, library, cafeteria, restrooms or any other common student areas is also prohibited.

PARENTS ON CAMPUS

La Granada is a closed campus. This means that parents/guardians or family members will not be allowed on campus simply to observe their student on the playground or to walk them to their line. However, we welcome parents to sign-in to the office for school business such as volunteering in the classroom, attending a parent meeting or helping in other volunteer capacities. **All visitors on campus must sign-in and must be on campus for school business per the Education Code and Penal Code 627 et al.** This provides parents an opportunity to advise the staff of their presence at school and of their needs. This requirement is intended to maintain a safe, secure, and peaceful campus.

Any concerns that a parent may have regarding a child other than their own must be brought to the attention of the principal. Parents may not speak to another child regarding a discipline concern or an incident between their own child and another student. By approaching a child on campus, you violate his/her rights to be safe and secure, and open yourself to possible criminal charges of assault. Since parents have no authority over any other parents or children, you must address your concerns through school officials who do have the necessary authority and responsibility for seeing that issues concerning students are properly addressed.

La Granada Elementary School

Student Dress Code/Uniform Policy

All students in grades K-5 will have two ways in which to comply with the **mandatory** dress code for La Granada Elementary School. All students will have the choice of wearing a school approved uniform, or an appropriate alternative. The use of *uniforms is requested*, but compliance with our dress code is *mandatory*. The dress code is vital to insure personal safety, to create a positive learning environment, and to discourage classroom disruptions or distractions. Outward appearances that are radical, unusual and draw specific attention to an individual are disruptive to the learning process and present a disruptive influence to the social interaction between students. All La Granada staff is responsible for assuring that all students follow the dress code. Changes may be made during the school year.

2. A second offense may result in a conference with the principal followed up with a phone call home to the parent/guardian. The parent/guardian must then bring the appropriate clothing to school.
3. The third violation will be considered defiance of school rules and school personnel and will result in a conference scheduled with the parent/guardian to formulate a plan for the student to comply. The parent/guardian must then bring the appropriate clothing to school.

SCHOOL SPIRIT DAYS

Every Tuesday is College Day at La Granada. Your child may wear a college shirt to school! Every Wednesday is AVID DAY. Every Friday is a school spirit day. We encourage all La Granada Lions to wear their red La Granada shirts. As stated above, we now allow students to wear La Granada t-shirts and college t-shirts everyday as part of the uniform policy.

DRESS UP DAYS

From time to time we have La Granada Dress up days. We will send home a notice advising students what they can wear on these fun dress-up days!

CODE OF CONDUCT

PLAN FOR A POSITIVE AND SAFE SCHOOL CLIMATE

Our goal at La Granada Elementary School is to ensure that our students develop their full potential, socially and academically. We are committed to creating an atmosphere for learning and for developing social responsibility. Each student is encouraged to take responsibility for his or her own learning and behavior. We urge parents and guardians to be actively involved in supporting our efforts in learning and discipline. Students at La Granada will adhere to the La Granada Code of Conduct. Our Code of Conduct is based on the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. The last three years we have focused on the additional traits of optimism, curiosity, grit and gratitude as research show these traits impact future success.

I will be worthy of TRUST.

I will be RESPECTFUL and RESPONSIBLE, doing what I must.

I will always act with FAIRNESS; I will show that I CARE.

I will be a good CITIZEN and always do my share. OPTIMISM and CURIOSITY will show me the way! To be successful, GRIT, GRATITUDE and SELF- CONTROL will rule the day. Character counts at La Granada!

La Granada is SAFE, RESPECTFUL and RESPONSIBLE

At La Granada, our universal behavior expectations fall under the three rules of BE SAFE, BE RESPECTFUL and BE RESPONSIBLE. Students are taught the behavior expectations for each rule for various school locations. For example, the rules in the cafeteria are a bit different than the rules in the library. We ensure that students know what is expected, so that they experience success socially and academically.

At La Granada, we also emphasize social skills instruction. Students will be taught the steps to successfully accept criticism or a consequence, accept “no” for an answer, ask for help, ask permission, disagree appropriately, follow instructions, get the teacher’s attention, give criticism, listen, make an apology, resist peer pressure, stay on task, use appropriate voice tone, wait one’s turn and work with others.

POSITIVE CONSEQUENCES

Students have multiple opportunities to receive positive consequences. Teachers share their individual management plans with families at Back to School Night. Positive Consequences include: Caught Being Good Tickets, praise, character awards, choice time, extra computer time and free recess to name a few.

CONSEQUENCES FOR MISBEHAVIOR

When consequences for misbehavior are appropriate, teachers and staff at La Granada will first issue a warning and then follow up with a low level referral form. Students will receive appropriate intervention. If students receive four low level referrals, they will be sent to administration on the fifth referral. Failure to follow school or classroom rules may result in the following action or actions (not necessarily in this order):

1. Time Out
2. Loss of privilege(s)
3. Removed privilege (s)
4. Community Service
5. Discipline referral
6. Counseling
7. Behavior Contract
8. Social Skills training
9. Conference with the principal or assistant principal
10. Parent notification/conference with principal or assistant principal
11. Restructured Recess periods
12. Suspension
13. Expulsion
14. Police Notification

Some behaviors may warrant an automatic suspension and may require police notification.

THINGS to Keep at HOME

1. Gum
2. Food items with red dye such as Takis, Hot Cheetos, Hot Doritos etc.
3. Personal items. These include, but are not limited to:
 - Any toys, including items such as trading cards, trading cards and fidget spinners

SUSPENDABLE AND EXPELLABLE OFFENSES

Some school offenses are considered serious enough to require a school suspension, even if it is a FIRST offense. Last year the most common student misconduct violations at La Granada that resulted in suspensions included fighting, and bringing dangerous objects to school (most common were: toy guns, knives (utility and pocket), lighters and matches. Please encourage your children to talk to an adult (parent, teacher, counselor, administrators) about any problem before it escalates and discuss with them that bringing objects that are considered dangerous to school, even water guns, can lead to a suspension.

REPLICA FIREARMS

Replica firearms are not allowed on any campus or within the jurisdiction of the Alvord Unified School District. Any student who possesses a replica of a firearm or other dangerous object while under the school's jurisdiction is subject to suspension or expulsion. Students who threaten another person with a weapon shall be reported to law enforcement and are subject to arrest under California Penal Code 417.2.

3. No “strip search” shall be conducted by any school employee including removal or moving clothing to look at underclothing or to observe a private area of a student’s body in a search for contraband.

HARRASSMENT

INTENTIONAL HARRASSMENT: Intentional harassment is defined as threats or intimidation directed against a student or group of students that is sufficiently severe or pervasive that it materially disrupts class work, creates disorder, and invades the rights of that student or group of students. Students are subject to suspension and/or expulsion for harassment when other means of correction have failed to bring about proper conduct or if the student’s presence causes a continuing danger to physical safety or threaten to disrupt the educational process.

DEFINITION OF SEXUAL HARRASSMENT

California and Federal laws define sexual harassment as unwanted sexual advances, or unwanted visual, verbal, or physical conduct of a sexual nature. Such offensive behavior includes, but is not limited to, the following:

- a) Unwanted sexual advances, including propositioning and requests for sexual favors, or repeatedly asking someone out for a date after it is clear that the person is not interested.
- b) Explicitly or implicitly offering employment or academic benefits in exchange for sexual favors.
- c) Making or threatening reprisals after a negative response to sexual advances.
- d) Visual conduct: leering; making sexual gestures; displaying sexually aggressive objects, pictures, cartoons, or posters.
- e) Verbal conduct: Making or using derogatory comments, epithets, slurs, or jokes; making sexually based remarks about another’s or one’s own body.

BULLYING

Bullying is a serious issue and will not be tolerated. It is important to understand the difference between conflict and bullying so that the school can address both issues appropriately.

DEFINITION AND TYPES OF BULLYING

Bullying is defined as: “When a person is exposed, repeatedly and over time, to negative actions on the part of one or more persons, and he or she has difficulty defending himself or herself.”

The following 3 components must co-exist to constitute bullying.

1. Bullying is aggressive behavior that involves unwanted, negative actions.
2. Bullying involves a pattern of behavior repeated over time.
3. Bullying involves an imbalance of power or strength.

There are 9 types of bullying:

1. Verbal bullying including derogatory comments and bad names;
2. Bullying through social exclusion or isolation;
3. Physical bullying such as hitting, kicking, shoving, and spitting;
4. Bullying through lies and false rumors;
5. Having money or other things taken or damaged by students who bully;
6. Being threatened or being forced to do things by students who bully;
7. Racial bullying;
8. Sexual bullying; and,
9. Cyber bullying (via cell phone or Internet).

Due to the serious nature of any and all types of bullying, bullies will receive consequences. If your student witnesses bullying or is a victim of bullying, please report it immediately to administration.

CONFLICT VS. BULLYING

What is conflict? “**Conflict** is a struggle between two or more people who perceive they have incompatible goals or desires.

Conflict occurs naturally as we interact with one another. It is a normal part of life that we will not always agree with other people about the things we want, what we think, or what we want to do. Most conflicts arise in the moment because people of the same relative amount of power see the same situation from two different points of view.” (schools.nyc.gov)

Here are some examples of conflict among children:

- Children quarrel over who gets to go first
- Children argue about the rules of a game on the playground
- Children call another student names when they don't know how to resolve a problem
- Children argue in class when working in collaborative groups because they don't agree on how to solve the problem

When conflict occurs, it can be hurtful and conflict resolution and problem solving must occur. Further, consequences can be issued but conflict is very different from bullying.

Bullying Vs. Normal Conflict

What you can do to support your child in dealing with conflict.

- Encourage your child to set their limits by telling the other child to stop or to leave them alone.
- Encourage your child to tell an adult if they need help to resolve the problem.
- Teach your child how to walk away, find a friend or problem solve the conflict.
- Reach out to your child's teacher or administration for support.

PARENT ROLE IN STUDENT SUCCESS

FIVE WAYS YOU CAN MAKE A DIFFERENCE THIS YEAR

As a parent, you were your child's first teacher. Even while your child is in school, you still teach important lessons every day. Research shows that when parents and schools work together students do better. Here are some suggestions on ways you can make a difference in your child's education. They don't cost money. They don't require training. All they need is you.

1. **Read to your child every day.** Long after children learn to read for themselves, they love this special time with Mom or Dad. Kids who are read to are the kids who want to read on their own.
2. **Join your school's parent-teacher organization.** When parents and teachers work together schools improve.
3. **Volunteer.** The more help parents give teachers, the more time teachers can spend with students. Work full-time? There are still ways to help such as ensuring your child does their homework every night. Ask your child's teacher what you can do to help out.
4. **Let your children know school is important.** Ask about their homework. Attend school events. Talk about how you use what you learned in school in your job.
5. **Recognize your child's special gifts.** Each child has special talents. Perhaps the most important thing you can do is to help your child see how he or she is special. That boosts confidence and sets the stage for learning.

Parenting is one of the most important tasks anyone ever performs and the one for which there is the least preparation. We learn to be parents through on-the-job training. In order for parents to raise children with strong values and healthy self-esteem in an increasingly complex world, parent education is of paramount importance. As principals, we have the opportunity to provide research, resources, and support, which will assist parents in dealing with the multiple pressures of child rearing.

PARENT INVOLVEMENT

VISITING SCHOOL

Parents are urged to visit school. Classroom visitations need to be arranged in advance through the teacher or administrative staff. The office is pleased to assist you in this matter. We require that any person coming on the La Granada campus check in through the office. This procedure is a precaution for the safety of our students.

DISTRIBUTING INVITATIONS

Occasionally, students want to invite students to non-school sponsored parties and wish to hand out their invitations at school. This process creates a variety of problems. Therefore, we have established the practice that unless the entire class is invited, these invitations may not be distributed at school.

BIRTHDAY PARTIES

Many families choose to bring a special food item to school on the day of their child's birthday. If you plan to celebrate your child in this way, please follow these guidelines:

- Call the school to set up a scheduled time for the event with your classroom teacher.
- Consult the District's Approved Snack list when deciding which treat to share with the class. See office for snack list copy or La Granada's website for a link to the snack list.
- Purchase the item at a store. Only store-bought items are allowed to be shared with students.
- The school has the right to refuse food items if the items don't comply with the District's Wellness Guidelines or are homemade.

SCHOOL SITE COUNCIL (SSC)

The School Site Council consists of parents and staff that work together to plan and evaluate La Granada programs which receive special funding. Members on the council and committee are elected. However, the meetings are open and all parents are encouraged to attend and participate.

ENGLISH LANGUAGE LEARNER ADVISORY (ELAC)

ELAC consists of parents and staff members who meet to discuss the planning and implementation of the English language development programs. The committee advises the principal and staff on community concerns and learns about instructional programs and school procedures. In addition, training opportunities are provided to parents to assist them in furthering their children's education.

PARENT TEACHER ASSOCIATION (PTA)

The PTA is a service organization, which provides hundreds of hours of volunteer work and support of curriculum to La Granada on an annual basis. You are welcome to attend meetings and strongly encouraged to support this group.

ACTION TEAM PARTNERSHIP (ATP)

ATP believes that family support and engagement play an important role in a child's healthy development, in school achievement, and in college and career readiness. Our work centers on growing and strengthening La Granada's capacity to engage families in partnerships to build stronger schools and to support home learning environments.

PARENT UNIVERSITY

We are excited to offer classes to parents and family members that are designed to help families support their children grow socially and academically. Our goal is to provide parents with the tools necessary to help our students succeed both now and in the future.

FAMILY PICNIC DAY

Family Picnic Days give families the perfect opportunity to participate in their students' La Granada experience. During Family Picnic Days, families are encouraged to bring a healthy lunch, a book, and a blanket and enjoy some quality time with their student(s) during their scheduled lunch time. There will be four picnics this school year and we look forward to having you on campus!

COLLEGE READINESS

At La Granada we believe that we are not only preparing your child to achieve proficiency at their grade level, but that we are preparing them for life, particularly to go to college. We know that attending college can open many paths in a person's life. Therefore, La Granada emphasizes college in a number of ways. Each classroom is assigned a college and students participate in activities that focus on that college. We present awards at each flag ceremony that reflect the awards received at the college level- cum laude, magna cum laude and summa cum laude. We sing college chants and remind students each day that they are working hard because they are going to college!
