

## PRESS RELEASE

Riverside, CA - The Alvord Unified School District in partnership with the City of Riverside is excited to announce the upcoming Community Health and Resource Fair, which will take place on May 2, 2023, from 9am to 1pm, at La Sierra Park. This event aims to promote health and wellness in the community, as well as provide access to important resources for families and individuals.

The Alvord Unified Community Health and Resource Fair is free and open to the public. The event will feature informational booths and resources on a range of topics, including mental health, nutrition, and fitness.

Representatives from various community organizations will be present to answer questions and provide guidance.

Our goal is to promote wellness, education, and opportunities for all, and we hope this event will help make a positive impact on the lives of those who attend.

The Alvord Unified Community Health and Resource Fair is a collaborative effort between the Alvord Unified School District, City of Riverside, community organizations, and local health providers. Together, they are working to promote a healthier, more connected community.
