To Whom It May Concern;

Thank you for your interest in our schools. We often receive inquiries about our nonprofit status. Please accept this letter as certification that Alvord Unified School District qualifies as a not-for-profit organization. We are a state educational institution, which is considered a political subdivision of the State of California. Because of this, we are considered a nonprofit state entity rather than a private 501 (c)(3) nonprofit organization. Donations and private grants made to our schools are tax deductible under these statutes.

If you have further questions, please feel free to contact me at (951) 509-5095.

Sincerely,

Susana Lopez
Assistant Superintendent, Business Services
