

Using Standards Based Reports

1. Log in to www.eadms.com
2. Mouse over Reports, mouse over Group, and click on Standards Based Reports.

3. Select your classroom.

The 'Select Classroom' dialog box contains the following fields and options:

- Regular Classrooms (selected) | Custom Classrooms
- Enrollment Date: Current
- School: All
- Grade: All
- Dept: All
- Course: All
- Period: All
- Teacher: Suh, Minhwa
- Buttons: View, Filter Demographics, Select Individual Students, Apply, Cancel

4. Do a test search.

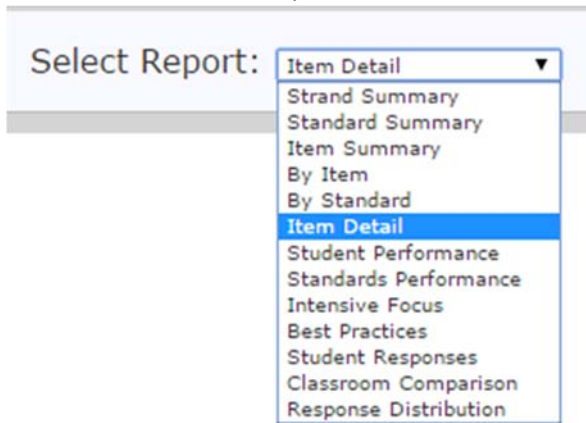

The 'Select Test' search form includes the following fields and options:

- Test Search: [Text Input] Go
- Tests Administered During School Year: 2015-2016
- Category: All
- Content Area: All
- Test Level: All
- Show only tests my student group has taken: Yes No

5. Click View Report when you find your test.

1	View Report	213009	AUSD CCSS ELA 06 UNIT 1 CFA POST 2015
---	-----------------------------	--------	---------------------------------------

6. In a Standards Based Report these are the additional reports you can choose from.

My favorites from the report list are:
