

LA SIERRA HIGH SCHOOL GUIDANCE DEPARTMENT
COMMUNITY SERVICE INFORMATION

La Sierra High School allows students to earn a maximum of ten credits, during their four years of high school, for **Community Service**. Community Service is to be completed on a voluntary basis (non-paid). Students may volunteer at any LSHS APPROVED non-profit agency. Credits are awarded at the rate of one credit for each 15 hours of service. (75 hours = 5 credits) (150 hours = 10 credits). Students must maintain a time sheet record of hours signed by their direct supervisor. **AT THE END OF THE SERVICE PERIOD**, students are required to submit a letter (on Agency letterhead) stating duties performed, length of service, and total hours served.

Thank you for your willingness to supervise Community Service. We appreciate your time and effort in supporting La Sierra High School, and should you have questions, or need further information, please contact our Guidance office at (951) 358-1731.
