(SUBJECT TO CHANGE IN FUTURE)

Interact is Rotary International's service club for high school students who want to connect with people in their community and school.

It gives students opportunities to participate in fun service projects that also help develop their leadership skills.

SOME THINGS WE'VE DONE
IN THE LAST COUPLE OF
YEARS:

- sent virtual cards to hospital patients
- created cards to send to local service men/women
- Helped donate food to communities through answering trivia questions!
(Ex: FreeRice, BeanBeanBean)
- participated in school events/activities

Events with Rotary International

Thanksgiving Brunch at Janet Goeske Senior Center

- This had been an annual event prior to COVID-19. We hope we'll be able to do this again soon to connect students with their community.

-We'd set up and decorate festive pieces

-On Thanksgiving morning members would serve food to the seniors and converse with them!

Senior Care Packages

-During the pandemic, Interact helped collect donated items to put together care packages for local senior citizens.

RYLA

JUNIOR TRIP

Rotary would send juniors in high school to a leadership camp (RYLA), where students bond with team members to do activities and compete to win games.

- listen to motivational speakers
- Interact with others and make new friends!
