# School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Allan Orrenmaa Elementary School	33-66977-6031496	May 15, 2023	June 22, 2023

## Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

- Schoolwide Program
- Additional Targeted Support and Improvement

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Allan Orrenmaa Elementary School utilizes a comprehensive and equitable framework designed to create a unique culture that develops the social, emotional, physical and academic rigor of the students, staff, families and community. Community members are included in making data driven decisions designed for differentiated instruction and learning. Orrenmaa Elementary has been identified for ATSI for Chronic Absenteeism of Students With Disabilities. Title I, LCFF-EL, LCFF-LI funds are used to support educational programs to address ATSI. Through this framework we have agreed that with collaboration, data driven instruction, and a focus on student needs we will empower students, staff and the community with a growth mindset for learning in a culture that nurtures the skills to achieve lifelong excellence.

# Comprehensive Needs Assessment Components

## Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

## Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Data was gathered using California Healthy Kids Survey administered in March, 2023, and by reviewing the type and frequency of questions asked by participants at community member meetings. Summary data indicates the majority (83% of students) report they are treated with respect and the adults at the school have high expectations for them (80%). 66% of student respondents report the adults at school care about them. However, 30% of students report a lack of connection to learning and feeling bored most of the time. Overall 74% of students feel safe at school. The majority of parents (84%) report that Orrenmaa provides a high quality of instruction and staff actively motivate students to learn. Parents surveyed agreed the facilities are clean and well maintained (83%) and only 17% of parents report bullying to be a large problem. The majority of staff members surveyed (85%) agree Orrenmaa is a supporting and inviting place for students to learn. However 43% of staff agree that disruptive student behavior has been a problem during the 22/23 school year. Overall, students, staff and parents feel Orrenmaa Elementary maintains a safe academic environment that promotes social, emotional and academic learning.

## Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Classrooms are visited by administration and the instructional coach approximately two times per month for informal observations. The purpose of these visits is to recognize excellence, provide professional development feedback and identify areas for growth in accordance with The Orrenmaa Project's plan to develop a school environment that empowers a growth mindset. Teachers are observed modeling and directly teaching AVID's WICOR strategies. English Language Development is promoted through designated and integrated instruction. All grade levels are adhering to the District's Coherent Guide to Mathematics, utilizing benchmark data from iReady, providing feedback to students from Wonders assessments and implementing Silicone Valley Math Initiative (SVMI) formative assessment. Continuing support of Cognitively Guided Instruction (CGI) strategies, designated English Language Development lesson design, and reading fundamentals instruction is provided.

## Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965. In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

## Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

K-5th grade teachers have been trained on iReady and are assessing students three times a year. The TK teacher has been trained in PELI and is assessing students three times a year. 1st-5th-grade teachers are also using DIBELS Next and Wonders weekly and unit assessments to monitor progress towards individual and grade level goals. Students in intervention are assessed every 6 weeks to determine progress in targeted areas using Wonders and DIBELS Next assessments. Beginning of the year assessments indicated 17% of students were at expected levels in ELA which is an increase of 2 percentage points from the previous year. 6% of students were at expected levels in Math which is also an increase of 2 percentage point. At the mid year assessment, 35% of students were at expected levels in ELA which is an increase of 4 percentage points when compared with data from the same period of the 21/22 school year. 23% of students were proficient in Math which is an increase of 6 percentage points when compared with data from the same period of the 21/22 school year. Due to school closures, CAASPP data from the 21/22 school year is compared with the 18/19 school year. For the 21/22 school year, 35.72% of 3rd, 4th, and 5th graders met or exceeded standard for ELA. This is a 1 percentage point decline when compared with the 18/19 school year in which 36.65% of 3rd, 4th, and 5th graders met or exceeded standard for ELA. In math, 20.97% of 3rd, 4th, and 5th graders met or exceeded standard for math. This is a 1 percentage point increase when compared with the 18/19 school year in which 19.86% of 3rd, 4th, and 5th graders met or exceeded standard for math.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction

Grade level teachers meet two times a month to review data from their common assessments, benchmarks, and other assessments to determine intervention groups and cognitively plan core instruction. Instructional Leadership Team meets monthly to vertically align instructional scope and sequence.

## Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

All instructional staff at Orrenmaa are highly qualified meeting state and federal requirements under ESSA

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials)

All teachers are fully credentialed and receive ongoing professional development on SBE-adopted instructional materials as well as instructional strategies and engagement strategies. Teachers are receiving professional development to address implementing the Common Core Standards and meeting the needs of students who are English Learners and to develop AVID for the At Risk students. Teacher professional development topics were derived from data driven student academic needs.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Staff development occurs at the site and specific to each grade level. Kindergarten and 1st grade focused on developing reading decoding/encoding techniques. 2nd and 4th grade learned writing intervention strategies. 3rd and 5th grade focused on reading comprehension. Staff development includes research-based instructional and engagement strategies. Staff has received professional development on Cognitive Guided Instruction (CGI), the newly adopted Wonders curriculum, ELD instruction, AVID, Ron Clark strategies and data analysis to drive instruction.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches)

An instructional coach, grade level leads, and administration assists and supports teachers in improving their instructional program and techniques. The instructional coach works with all grade levels planning instruction and facilitating grade level professional development. Professional

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve)

All staff have been trained on the data team concept and utilize its methodology in their grade level meetings. The principal meets with grade level teams and is available for consult support for teachers. Teachers meet two times each month in grade level collaboration meetings to analyze data, design interventions, and cognitively plan lessons. In addition, grade level professional development and planning days are provided 7 times per year for each grade level.

## Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

The site level Leadership Team in conjunction with the instructional coach used the ELA and Math standards to develop units of study utilizing the Coherent Guide to Mathematics and the Wonders materials. Silicone Valley Math Initiative assessments were used to inform instruction. Teachers use research based instructional methods and student engagement strategies.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8)

All staff adheres to recommended instructional minutes for reading/language arts, mathematics, intervention, and ELD.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses

Teachers use the units of study and the common pacing given by the District. Wonders curriculum was adopted and teachers follow the lesson pacing schedule. Orrenmaa teachers follow the units and pacing of the Coherent Guide to Mathematics assessing with SVMl tasks.

## Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Every student has appropriate instructional materials, including intervention materials for reading/language arts and mathematics.

## Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses

The curriculum, materials, and instruction are aligned with the Common Core State Standards. All staff adheres to the recommended instructional minutes for reading/language arts, mathematics, and ELD. The district has developed a lesson pacing schedule which is used by all teachers. Our site has developed an intervention block for all students not meeting performance standards utilizing research-based materials that meet the needs of the students. Every student has the appropriate instructional materials, including intervention materials for reading/language arts and mathematics. Teachers continue implementing the Wonders curriculum using print and digital components to promote technology literacy.

## Opportunity and Equal Educational Access

### Services provided by the regular program that enable underperforming students to meet standards (ESEA)

All students have access to Chromebooks at home and in the classroom. Students in need are provided WiFi Hotspots to be able to access G-suite tools from home. All teachers abide by the mandatory instructional minutes for core program. All teachers have been provided staff development and coaching follow-up in strong, research-based instructional, differentiation, and engagement strategies to strengthen their first, best instruction. In addition, all teachers have 30 minute UA blocks to differentiate instruction for their students; as well as a school wide intervention block. In addition, we have after-school tutorials available to students. We also have computer based programs that can be logged into from home to support students. A Literacy Teacher and an Early Numeracy Teacher has been provided by the district to support students who are demonstrating a need for intervention based on their iReady assessment. Identified students receive small group specialized support.

### Evidence-based educational practices to raise student achievement

An intervention program is in place, providing a system for all students to receive on-going support in meeting proficiency as measured by intervention logs, iReady assessments, SVMI formative assessments, common grade level assessments, and review of progress of identified students. All teachers meet individually with the principal 2 times a year to review data and develop individual targeted intervention plans. Using computerized intervention programs, students receive additional instruction in the content areas of need. Orrenmaa also offers afterschool clubs: Entrepreneurship, Reading, Homework. These programs are part of an effort to keep students interested and focused at school and provide motivation for continuing their education. After School Expanded Learning Programs is an after school program that offers intervention, enrichment, and recreation designed to stimulate learning and provide a safe place for students. Literacy and early numeracy teachers have been provided by the district to support students who are demonstrating a need for intervention based on iReady. Identified students receive small group specialized support.

## Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Orrenmaa utilizes a variety of resources to assist families. Alvord Unified School District has elementary school counselors at every site. Orrenmaa has a counselor full time supporting students with individual and group counselling sessions as well as class character education lessons and parent outreach. The school uses various outside agencies in coordination with Special Education services to provide counseling, occupational therapy, and speech services. Parents have access to several parent classes through the City of Riverside and the Alvord Unified School District. The District also provides several different parenting classes throughout the year in English and Spanish as well as a variety of free parenting materials in both languages as well. Teachers also utilize daily homework logs, communication folders, student planner/agendas and a monthly parent calendar/newsletter online to facilitate communication with parents. We use Blackboard, Dojo, and ParentSquare to notify parents of important information as needed. The Alvord Unified School District also provides access to the Student Attendance Review Board, a daily health clinic, and access to eye examinations and free glasses. In addition, we have monthly meetings with the principal (Coffee with the Principal and ELAC). Parents have access to school events on the school website, Twitter, Facebook, Dojo, Remind and the information box located on site.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Parent groups, including School Site Council, Title I, ATP, and ELAC offer opportunities for parents to participate in planning, implementing, and evaluating these programs.

## Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

We provide Common Core based curriculum to all students . We include universal access differentiation time as well as an intervention block. We provide a MTSS tiered approach to intervention and monitor frequently for student progress. For students needing additional services, we provide in-school and after-school tutoring. Our teachers continue to receive professional development to increase their effectiveness in the classroom and support of one another using the PLC model.

## Fiscal support

Our general and categorical funds are coordinated, prioritized, and allocated to align with the full implementation of the EPCs in ELA/ELD and the Single Plan for Student Achievement (SPSA). Our SPSA is aligned with the district's LCAP goals and activities.

# Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

## Involvement Process for the SPSA and Annual Review and Update

Community member involvement was solicited through needs assessments provided by ELAC, staff, leadership, and Principal coffee chats. Community members were provided training on understanding the role of the SPSA and given multiple opportunities to participate in reviewing data.

## Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Resources available at Orrenmaa were evaluated using the resource inequities diagnostic provided in Alliance for Equity: Tool Kit. 10 dimensions were analyzed. Results indicate a lack of rigorous content is effecting academic achievement, attendance, and preparation for secondary education. A root cause analysis of this resource inequity was conducted indicating a need for adequate, timely, and meaningful training on curriculum delivery practices.

# School and Student Performance Data

## Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	0.2%	0.19%	0%	1	1	0
African American	2.2%	3.28%	2.39%	12	17	12
Asian	5.4%	4.82%	5.57%	29	25	28
Filipino	0.8%	1.35%	1.39%	4	7	7
Hispanic/Latino	76.1%	77.84%	78.73%	407	404	396
Pacific Islander	1.7%	1.35%	1.59%	9	7	8
White	12.0%	10.21%	8.55%	64	53	43
Multiple/No Response	1.3%	0.96%	1.79%	7	5	9
<b>Total Enrollment</b>				535	519	503

## Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	77	99	86
Grade 1	91	74	92
Grade 2	78	80	78
Grade 3	86	80	76
Grade 4	98	88	81
Grade 5	105	98	90
<b>Total Enrollment</b>	535	519	503

### Conclusions based on this data:

1. Enrollment continues to decline slightly
2. Kindergarten enrollment is down but retention of kindergartners to 1st grade appears to be leveling out
3. Enrollment of student groups has remained relatively stable.

# School and Student Performance Data

## Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	169	148	133	31.60%	28.5%	26.4%
Fluent English Proficient (FEP)	34	34	41	6.40%	6.6%	8.2%
Reclassified Fluent English Proficient (RFEP)	1			0.6%		

### Conclusions based on this data:

1. The percentage of English Learner students continues to decline.
2. Fluent English Proficient enrollment has increased.
3. The number of student reclassified during the 22-23 school year is a more accurate representation of EL students and the progress they are making towards English Proficiency.

**Conclusions based on this data:**

1. 21-22 CAASPP ELA data indicates the percentage of students at or above expected levels has remained relatively the same compared to pre-COVID data.
2. When compared to pre-COVID data, the percentage of students below standard has decreased in all domains.
3. There is a significant (18%) increase in the percentage of students who are at or near standard in Research/Inquiry.

## Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population

Pacific Islander	7	1.3
White	53	10.2

**Conclusions based on this data:**

1. The population at Orrenmaa is predominantly Hispanic.
2. The majority of our students continue to fall in the socioeconomically disadvantaged category.
3. Orrenmaa has a fairly stable population.

## Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

<b>Mathematics</b>  Low	<b>Chronic Absenteeism</b>  Very High	
<b>English Learner Progress</b>  Medium		
<b>College/Career</b> N/A		

**Conclusions based on this data:**

1. English Learner Progress is an area of relative strength.
2. Chronic absenteeism of all students is an area of concern
3. ELA and Math achievement are low and an area of concern.

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

## LEA/LCAP Goal

Conditions of Learning: Students will be enrolled in a comprehensive course of study taught by highly qualified staff in schools that are clean and in good repair.

## Goal(s)

By June 2024, all students will increase academic proficiency level towards meeting grade level standards by 5 points.

## Identified Need(s)

All students need to increase academic proficiency to be meeting expectations in English Language Arts, Math, Science, and English Language Development

## Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
K-2 iReady ELA; 3-5 CAASPP ELA Summative	41% of Kinder-2nd graders met or exceeded standards in English Language Arts/Literacy when given the Spring iReady. 3rd -5th graders were 36.4 points from standard on the CAASPP ELA	Percentage of students between grades K-2 meeting or exceeding standards in ELA will increase by 5 points. 3rd - 5th graders points from standard will decrease by 5 points.
K-2 iReady Math; 3-5 CAASPP Math Summative	32% of Kinder-2nd graders met or exceeded standards in Math when given the Spring iReady. 3rd -5th graders were 65.2 points from standard on the CAASPP Math	Percentage of students between grades K-2 meeting or exceeding standards in math will increase by 5 points. 3rd - 5th graders points from standard will decrease by 5 points.
ELPAC Summative	54.7% of English Learners are Moderately to Well developed in overall language development	Percentage of English Learners identified as Moderately to Well developed in English language proficiency will increase by 3 points.
CAST Summative	23% of 5th graders met or exceeded standard for science	28% of 5th graders will meet or exceed NGSS standards as measured by CAST and local assessments

# Annual Review

**SPSA Year Reviewed: 2022-23**

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

## ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Students were provided with rigorous instruction focusing on first best instruction while providing interventions for academic loss. Students were encouraged to take part in tutoring through afterschool homework club and were given opportunities for enrichment. English Learners receive instruction and support to develop their language skills.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There were no major differences between the intended implementation and the budgeted expenditures to implement the strategies to meet the articulated goal

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The amount of Title I money allocated to Orrenmaa was adjusted to reflect equity. This resulted in a decrease of available funds for Orrenmaa. More accurate and current data became available. Therefore, the SSC reviewed the data and made adjustments to programs and services to meet the needs of students within the budget allocated by the District. Funds associated with Activity 1 were removed. All other activities were adjusted to reflect updated fixed costs and budget allocations. Funding allocated to send teachers to professional development conferences was removed.

# School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- Diana Taylor School Principal
- Valerie Beckstrom Classroom Teachers
- DeAnna Dhouti Other School Staff
- Sandi Salas Parent or Community Members
- N/A Secondary Students

Name of Members	Role
Martin Bernard	Classroom Teacher
Jenny Herrera	Classroom Teacher
Alisha Harding	Parent or Community Member
Izabella Gurdon	Parent or Community Member
Stacia Larragoitiy	Parent or Community Member
Mayra Torres	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

# Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

**Signature**

**Committee or Advisory Group Name**

	English Learner Advisory Committee
	Special Education Advisory Committee
	Departmental Advisory Committee
	Other: See attachment for all signatures

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 19, 2022.

# Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

## **Purpose and Description**

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

### **Purpose**

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

### **Description**

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

## **Educational Partner Involvement**

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

*[This section meets the requirements for TSI and ATSI.]*

*[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]*

## **Resource Inequities**

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

*[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]*

# Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

## Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

*[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]*

## Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

*[Completing this section fully addresses all relevant federal planning requirements]*

## Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

*[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]*

*[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]*

## Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

*[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]*

*[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]*

## **Students to be Served by this Strategy/Activity**

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

*[This section meets the requirements for CSI.]*

*[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]*

## **Proposed Expenditures for this Strategy/Activity**

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

*[This section meets the requirements for CSI, TSI, and ATSI.]*

*[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

## **Annual Review**

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

## Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

*[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]*

## Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

*From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.*

## Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

*[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]*

# Appendix A: Plan Requirements

## Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

### Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
  - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
    1. The comprehensive needs assessment of the entire school shall:
      - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
      - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
        - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
        - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
        - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
        - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
        - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
  - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

### Requirements for the Plan

- II. The SPSA shall include the following:
  - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
    - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
    - b. use methods and instructional strategies that:
      - i. strengthen the academic program in the school,
      - ii. increase the amount and quality of learning time, and
      - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
    - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
      - i. strategies to improve students' skills outside the academic subject areas;
      - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
      - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
      - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
      - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
  2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
  3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
  - 1. Ensure that those students' difficulties are identified on a timely basis; and
  - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

## Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at [SISO@cde.ca.gov](mailto:SISO@cde.ca.gov).

### Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

### Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

## **Additional Targeted Support and Improvement**

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

## **Single School Districts and Charter Schools Identified for School Improvement**

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

## Parent Involvement Policy (Title I Schools)

Each Title I school is required to develop a written parent and family engagement policy. This policy describes how the school will support and increase parent and family engagement. The parent involvement policy must be developed with parents/community and include participation from all appropriate advisory committees and be approved by the School Site Council. The written parent involvement policy at Title I schools must include how parents will be informed of the school's Title I program requirements.

Schools who are allocated Title I/ funds must develop a written parent and family engagement policy with the participation of parents, families, and community members that describes how the school will:

- a. engage parents and family members in their children's education
- b. inform parents and family members that they can directly effect the success of their children's learning
- c. build consistent and effective communication between home/school
- d. train teachers and administrators to communicate effectively with parents and families
- e. integrate parent and family members programs with the SPSA (EC 11504)

Attach Parent and Family Engagement Policy (Title I Schools)

## **School-Parent Compact (Title I Schools)**

Section 1116(a) of ESSA advocates shared responsibilities for high student achievement. The school-parent compact is a component of the Parent and Family Engagement Policy. Each Title I school shall jointly develop with parents a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student achievement.

Re: Notification of Additional Targeted Support & Improvement (ATSI)

The purpose of this letter is to notify you that your school has been identified as an ATSI school for the 2023-24 school year.

In accordance with California's ESSA State Plan, schools that are not eligible for CSI, are eligible for Additional Targeted Support & Improvement (ATSI) if they have one or more student group(s) that meet the same criteria as applied in determining eligibility for the CSI-Lowest Performing Schools' category. ATSI determination of eligibility occurs annually. In addition, the exit criteria for CSI and ATSI are the same; however, ATSI exit criteria applies to student groups.

The CDE first determined school eligibility for ATSI in the 2018-19 school year using the 2017 and 2018 Dashboards. Additionally, school eligibility was determined in the 2019-20 school year using the 2018 and 2019 Dashboards to incorporate results of the English Learner Progress Indicator and to align with the Local Control and Accountability Plan cycle. School eligibility will again be determined in 2022-23 using only one year of Dashboard data from the 2022 Dashboard.

The following student groups have placed the school in ATSI:  
**Students with Disabilities (Chronic Absenteeism)**

To address the achievement of your designated subgroup, the Single Plan for Student Achievement (SPSA) must contain specific strategies to improve student performance for the group(s) listed above. Special considerations should also be made to help improve parent participation for this student group. Please take the additional time to meet with your School Site Council (SSC) to address the performance of this student group.

Should you have any questions or concerns, please feel free to reach out to me via email or in my office.

Respectfully,

Mark Sims, Ed.D

*We do not have officers elected for our ELAC and so do not have action items to vote on.*

### III. Discussion/Information

- A. ATSI - [Problem Statement](#)

*Mrs. Taylor presented Additional Targeted School Improvement as it applies to Orrenmaa. We have been identified for ATSI because of our amount of students that are chronically absent and identified as special education students.*

- B. [School Plan for Student Achievement \(SPSA\) Review](#)

*Mrs. Taylor reviewed the purpose of the School Plan for Student Achievement. She also presented the SPSA for the 2022-2023 school year, as it was written and approved last year. Parents were asked for ideas to include in the plan. Parents did not have any.*

- C. [22/23 Budget Review](#)

*Mrs. Taylor reviewed the budget that was given to Orrenmaa for the 22-2023 school year. She also reviewed what was done with that funding throughout the last school year and how those events, activities, interventions, etc. benefitted students, and English Learners specifically.*

- D. 23/24 Projected Budget

- 1. [Allocation Comparison](#)
- 2. [Proposed Budget](#)

*Mrs. Taylor presented the school budget for the 2023-2024 school year. She reviewed the budget allocations as well as the reasoning for those allocations. Parent participants did not have any questions or comments.*

- E. [23/24 School Plan for Student Achievement \(SPSA\)](#)

*Mrs. Taylor presented the proposed SPSA for the 2023-2024 school year. The budget that the school has been given determines what goes into the SPSA and how funding is earmarked for events, activities, interventions, etc.*

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

# Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature	Committee or Advisory Group Name
DocuSigned by:  B022EA24484D42E...	English Learner Advisory Committee
	Special Education Advisory Committee
DocuSigned by:  7072A7C4250442B...	Departmental Advisory Committee
	Other: See attachment for all signatures

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 19, 2022.

2. 2022/2023 [School Plan for Student Achievement \(SPSA\) Goal Review](#)
3. **2023/2024** [Allocated Funds by Funding Source](#)
  - a. [Allocated Funds Comparison](#)

*Ms. Taylor presented a year by year comparison of the 2022-2023 school year budget to the 2023-2024 school year budget. Some notable differences: the additional money in the AVID budget, the lessened monies under Title 1, lessened monies under discretionary, etc.*

4. **2023/2024** [Proposed School Plan for Student Achievement](#)

*Ms. Taylor presented the School Plan for Student Achievement. She discussed the process that administration used to determine root cause analysis, relationship analysis, and problem statement. The majority of site budget funding falls under Goal 1: Certificated professional staff development. "People are our greatest resource" is a phrase that guided Diana in drafting the SPSA with a focus on input from parents, students, staff and committees and her budget allocations reflect that. Diana asked for comments and questions from the SPSA presentation. No participants had any questions or comments.*

5. **2023/2024** [Title I Parent Compact](#)

*There are no changes to the 2023-2024 parent compact. Ms. Taylor reviewed the compact and any highlights. She asked for input from SSC members. Mrs. Powers asked a clarifying question about parents volunteering five hours per semester. Ms. Taylor answered that volunteering could be cutting/gluing at home, tearing out workbook pages, work at a booth during an event, etc.*

6. **2023/2024** [Parent Involvement Policy](#)

*Ms. Taylor reviewed the Parent Involvement Policy and the small changes that were made from the previous year's policy.*

Topic	Details	Application
Welcome -- Sign In		The meeting started at 2:05pm.
<a href="#">2022-2023 Year in Review</a>		Reviewed the presentation. Added a few items to "What Worked Well".
<a href="#">California Healthy Kids Survey</a>		The staff reviewed the results of the California Healthy Kids Survey. The point was made that this year we do not have playground buddies as an opportunity for the upper grades to "make a difference." The point was made that students may not feel safe at school because of the school shootings that have occurred this school year in other areas. The question was asked, "Is there a schoolwide rule program?" Teachers are commonly frustrated with the lack of interest students have in their learning. Students are commonly frustrated that their input into their learning is not considered.
<a href="#">2023-2024 Budget</a>		The budget and breakdown was presented for next school year. Our budget for next year has been reduced by \$17k. The question was asked, "what is the district doing with that money?" The CBO uses input from different stakeholders and the money is allocated according to that input. Root cause analysis done over the last few months included the input of staff, families, and administration. The root cause analysis process found that a lack of academic rigor contributes to chronic absenteeism. The leadership team performed a fishbone analysis and found that meaningful and timely professional development could address that root cause.
<a href="#">School Plan for Student Achievement</a>		The budget for the 2023-2024 school year determines what can be included in the SPSA. The Schoolwide Program Summer Institute is being held with the hope that we can organize the amazing things that are already happening in the classrooms. There

		is room for one and a half more participants; please contact Diana if you are interested.
Pinks and Blues		The question was asked, "Do we know teaching assignments for the next school year?" The question was addressed. May 16th is scheduled to be a Staff PD, you can use that time to complete your pinks and blues.
EL/RFEP Monitoring		Please complete EL/RFEP monitoring on ELLevation.

## **School Parental Involvement Policy**

### **PART I. GENERAL EXPECTATIONS**

The goal of the parent involvement program is to empower parents to work cooperatively as full partners inworking toward the mission of ensuring that each student will master or exceed state academic standards, while developing academic and life skills.

Orrenmaa Elementary School agrees to implement the following statutory requirements:

- The school will jointly develop with parents, distribute to parents of participating children, a School Parental Involvement Policy that the school and parents of participating children agree on.
- The school will notify parents about the School Parental Involvement Policy in an understandable and uniform format and, to the extent practicable, will distribute this policy to parents in a language the parents can understand.
- The school will make the School Parental Involvement Policy available to the local community.
- The school will provide accessibility and opportunities for parents with limited English proficiency, parents with disabilities, and parents of migratory students.
- The school will periodically update the School Parental Involvement Policy to meet the changing needs of parents and the school.
- The school will adopt the school's school-parent compact as a component of its School Parental Involvement Policy.
- The school agrees to be governed by the following statutory definition of parental involvement, and will carry out programs, activities and procedures in accordance with this definition:

*Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—*

- (A) that parents play an integral role in assisting their child's learning;*
- (B) that parents are encouraged to be actively involved in their child's education at school;*
- (C) that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;*
- (D) the carrying out of other activities, such as those described in section 1118 of the ESEA.*

**PART II. DESCRIPTION OF HOW THE SCHOOL WILL IMPLEMENT REQUIRED SCHOOL PARENTAL INVOLVEMENT POLICY COMPONENTS**

1. Orrenmaa Elementary School will take the following actions to involve parents in the joint development and joint agreement of its School Parental Involvement Policy and its school wide plan, if applicable, in an organized, ongoing, and timely way under section 1118(b) of the ESEA:
  - Parents will provide input and recommendations to the policy at the English Language Advisory Committee (ELAC), School Site Council (SSC), and regular “Principal Chat” meetings
  - The Leadership Team will meet to review parental input and provide recommendations
  - The School Site Council will review all input and approve the policy
  - The revised policy will be translated and distributed to parents
  - The policy will be shared and explained during the annual Title I meeting
  
2. Orrenmaa Elementary School will take the following actions to distribute to parents of participating children and the local community, the School Parental Involvement Policy:
  - Parents will receive a copy of the policy during registration
  - The policy will be reviewed during the Annual Title I Meeting and/or during Back to School Night
  - Copies of the policy will be available in the main office
  - A copy of the policy will be posted on the Orrenmaa Elementary web page
  
3. Orrenmaa Elementary School will update periodically its School Parental Involvement Policy to meet the changing needs of parents and the school:
  - The policy will be reviewed annually by the ELAC, and SSC as well as the school Leadership Team
  - Concerns regarding academic achievement, parental concerns, safety issues, and parent participation will prompt additional reviews of the policy
  
4. Orrenmaa Elementary School will convene an annual meeting to inform parents of the following:
  - That their child’s school participates in Title I,
  - About the requirements of Title I,
  - Of their rights to be involved,
  - About their school’s participation in Title I:
    - *Parents will be notified for two consecutive weeks prior to such meetings*
    - *Meetings will be held in conjunction with other school events to encourage meeting attendance*

5. Orrenmaa Elementary School will hold a flexible number of meetings at varying times, and provide child care, paid for with Title I funding, as long as these services relate to parental involvement:
- A survey will be distributed at the end of the school year to identify and plan special events for the upcoming school year
  - Meetings will be scheduled in the evenings and/or mornings
6. Orrenmaa Elementary School will provide information about Title I programs to parents of participating children in a timely manner:
- Parents will receive notice about family education nights for two consecutive weeks prior to the event
  - Parents will receive notice about ELAC, and SSC meetings at least two weeks prior to the meeting date
  - The SSC agenda will be posted in English and Spanish at least 72 hours prior to the meeting date
  - Parents will be informed in a timely manner regarding parent-teacher conferences, Back-to-School Night, Open House, and other events
  - Parents will be notified in a timely manner regarding annual state testing results
7. Orrenmaa Elementary School will provide to parents of participating children a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet. Parents will be notified of these descriptors and standards during the following meetings/events:
- Back to School Night/Kinder and First Grade Orientations
  - Parent-Teacher Conferences
  - Annual Title I Meeting
  - Family Education Nights
  - Parent Council Meetings (SSC, ELAC)
  - Orrenmaa Elementary School will provide parents of participating children if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible:
  - Parent Council Meetings (SSC, ELAC)
  - Parent Teacher Association Meetings
  - Orrenmaa Elementary School will submit to the district any parent comments if the school-wide plan under section (1114)(b)(2) is not satisfactory to parents of participating children:
  - All parent comments regarding dissatisfaction regarding the school-wide plan content will be forwarded to the Special Projects and Accountability office and to the Superintendent

#### **PART IV. ADOPTION**

This School Parental Involvement Policy has been developed jointly with, and agreed on with, parents of children participating in Title I, Part A programs, as evidenced by parent council minutes.

This policy was adopted by the ORRENMAA ELEMENTARY on May 15, 2023 and will be in effect for the period of the 2023-2026 school years. The school will distribute this policy to all parents of participating Title I, PartA children on or before Sept 30, 2023. It will be made available to the local community on or before October 1, 2023. Orrenmaa's notification to parents of this policy will be in an understandable and uniform format and, to the extent practicable, provide a copy of this policy to parents in a language the parents can understand.
