

**AMITYVILLE MEMORIAL HIGH SCHOOL**  
**250 Merrick Road, Amityville, NY 11701**

---

Amityville Memorial High School will be administering New York State Regents Examinations from **June 14, 2023 through June 22, 2023**. As a result, we will be using a testing schedule and a modified transportation schedule. Please see the enclosed testing schedule and bus schedule for details.

Only those students taking an exam should report to school on a given day.

Due to the seriousness of the testing administration as well as the need to provide optimal test-taking conditions, please reinforce with your child the following expectations:

- Students should bring only appropriate test materials.
- All backpacks and pocketbooks should be left at home or in the lockers. Any bags brought to the testing location will be taken from the student.
- **As per NYS Education Department, NO cell phones or electronic equipment will be allowed in the testing area.**
- All cell phones and electronic equipment brought into the building will be confiscated in the testing rooms.
- The use of any communication device is strictly prohibited. If communication devices are used, no matter how briefly, the student's examinations will be invalidated and no score will be calculated for that student.
- There are no make-ups for these examinations. Students must take these examinations on the specified days and at the specified times.
- Students who take a bus to school are to be at their assigned bus stops at their scheduled time. Please see the enclosed testing bus schedule for details about transportation schedules.

In order to receive a high school diploma, the New York State Education Department requires that students pass multiple Regents examinations. Your child may not be eligible for graduation

until he/she satisfies all Regents examination requirements. Attendance at the appropriate exams is, therefore, expected. Students, parents, or guardians who have questions about state-mandated testing requirements should contact their child's guidance counselor.

If you have any concerns regarding the details of this letter, please call the high school office at 631-565-6100 or your child's guidance counselor.
