

Mission Statement

The goal of Edmund W. Miles Middle School is to promote the social, emotional, and intellectual growth of every single student. Our expectations will be high, because we believe that every single student has the capacity to succeed. Our focus is to provide a school setting that is safe and responsive to the educational and developmental needs of our students. Our vision is shared by administrators, students, parents, community members, and all faculty and staff members. This vision will enable all of our students to become excellent citizens and life-long learners.
