Assignment Submission Screen

- 1 If the teacher has not attached a template document for you to complete you can simply "Mark as done" by using the blue button if no document submission is needed.
- 2 Submit a collection of Google documents from your Google Drive, video files, links to websites, Office documents or other files. There is not a limit to the number of attachments you can submit for one assignment.
- 3 Create Google documents right from Google Classroom. The file will automatically be shared with the teacher and placed in your Classroom folder in Google Drive.

Turn In Files

If the assignment has files to submit the "Mark as done" button is shown as a "Turn in" button. Additional files can be added or created right in Google Classroom to submit.

Sharing

Turning in files switches ownership of the document to the teacher and prevents student editing.

Unsubmit

After turning in an assignment an unsubmit button appears. Use this to gain back editing rights.
