

<p>Parents and Students,</p> <p>I hope you have had a great summer! I'm very excited to start our upcoming school year together.</p> <p>A little bit about me. My name is David Rachel, students can call me Mr. Rachel. I graduated from Arizona State University with a BS in Elementary Education with an endorsement in mathematics. I worked in the public service industry prior to joining the Centerra Mirage STEM Academy team and know the value of teamwork. It really does make the dream work. :)</p> <p>I have lived in Arizona my whole life and this will be the third year I have worked in the Avondale area. I have had a blast this summer exploring Arizona while camping, playing softball, and spending time with family. However, I'm ready to get our school year rolling!</p> <p>Sincerely,</p> <p>Mr. Rachel</p>	<p><b>My Classroom Philosophy:</b> It is important to me for students to be engaged and enjoying their day at school as well as making progress academically, socially, and functionally.
