

## **SCHOOL YEAR 2022-23**

- **STUDENT ID BADGE ON LANYARD**
- **PARENT APP FOR BUS RIDERS**
- **BUS TAGS/LUGGAGE LOOP FOR BACKPACKS**

### **STUDENT ID BADGE/HOLDER/BLACK LANYARD**

As a way to increase security and efficiency on our campuses, Avondale Elementary School District is issuing all students a student badge and lanyard. Students will need to wear their badge & lanyard to school every day. The student ID provides greater efficiency for students when interacting with various district services.

**What information is stored on the student ID?** Only the student ID number is stored electronically on the card - either via the bar code or the RFID chip.

**Who is required to wear an ID?** All students, grades Pre-K—8th , are required to wear their ID badges.

**What is the ID used for?** ID badges are used to easily identify each student, as well make campus services more efficient. For example, students will use their ID badge when checking out a book in the library, paying for their meal in the cafeteria and scanning on/off the bus.

**What if my child loses their ID?** All students are provided their first ID card at no expense. But should the ID be lost, stolen, or damaged, a replacement must be promptly purchased for \$5 from their designated school office.

### **MY VIEW PARENT APP FOR BUS RIDERS---COMING SOON !!!**

A parent app will be coming which will allow parents to track when their child gets on and off the bus.

### **BUS TAG/LUGGAGE LOOP FOR BACKPACKS**

Color-coded bus tags for grades K-8 will be issued to students who ride the bus each day. Please help us keep these bus tags on your child's backpack.
