

PWGC 2023 SCHOLARSHIP

Deadline May 26, 2023

Tell Us Your Environmental Engineering Solution For A Chance To Win A PWGC Scholarship!

Three (3) scholarships will be awarded:

- 1st Place - \$1,000 Scholarship
- 2nd Place - \$750 Scholarship
- 3rd Place - \$500 Scholarship

Please evaluate and discuss one of the following topics based upon how they can affect your neighborhoods. Many of these topics have been in the news recently and can have a significant affect, both positive and negative, on the environment and economy of Long Island. (~500 words)

Topics

- Discuss the pros and cons of sustainable energy projects and their perceived community impacts.
- What environmental issue do you think is the most pressing on Long Island, why, and what do you think should be done?
- With the Brookhaven Landfill set to close in the next couple of years, what should Long Island do about its solid waste disposal needs?

Requirements

- You plan to major in one of the Sciences or Engineering (Biological Sciences/ Ecology, Chemistry, Physics, Environmental Engineering, Policy, Science, or other Studies)
- B Grade Point Average or Higher
- You have applied to an accredited College or University
- Complete PWGC Scholarship Application
- Essay (~500 words)
- Submission (email or mail) by May 26, 2023

RE: PWGC 2023 Scholarship Program

PWGC is extremely happy to send you our 2023 Environmental & Engineering Scholarship. We have designated \$2,250.00 to be awarded to graduating high school seniors in the PWGC community area. We offer:

\$1,000.00 FOR 1ST PLACE, \$750.00 FOR 2ND PLACE & \$500 FOR 3RD PLACE

PWGC recognizes students for their academic performance and their decision to enter a profession dedicated to use science and math to help solve environmental challenges and address environmental issues.

WHAT YOU CAN DO!

- Please post the attached flyer
- Copy the PWGC Scholarship Application Form and distribute to students
- Review the Checklist with the students to ensure they will qualify to enter

We will announce Scholarship Winners in June. PWGC will invite the winners and family to our Bohemia office for a luncheon and awards ceremony.

Requirements

- Plans to major in one of the Sciences or Engineering (Geology, Hydrogeology, Biology, Earth Science, Environmental Studies, Chemistry, Physics, Environmental Engineering, Civil Engineering, Science, or other related Studies)
- Student has a B Average, 80% or Higher

Instructions to Apply

Student must submit the following documentation:

- A completed PWGC APPLICATION FORM (attached) with appropriate signatures
- College acceptance letter(s)
- Document of Grade Point Average
- Student Essay

WE WILL ACCEPT APPLICATIONS THROUGH MAY 26, 2023

P.W. Grosser Consulting, Inc. Jillian Winters 630 Johnson Avenue Bohemia, NY 11716	HR@pwgrosser.com	631-589-8705

ABOUT PWGC

P.W. Grosser Consulting (PWGC) is located in Bohemia, Town of Islip, Suffolk County, NY. The firm provides municipal and private clients with quality environmental consulting and engineering services.

PWGC specializes in soil/groundwater and contamination investigations, sampling and monitoring at hazardous and non-hazardous waste sites, and environmental compliance. For more than 25 years, PWGC has managed a multitude of engineering projects emphasizing natural resource investigations and compliance management, such as remedial design at inactive hazardous waste sites, environmental investigations and sampling at Superfund sites, overall site planning, water supply optimization, wastewater treatment, and solid waste management. PWGC's team includes civil, sanitary, and environmental engineers; hydrogeologists; geologists, and environmental scientists.

We also would like to offer all students who participate in the PWGC Scholarship Program the opportunity to apply for an internship to learn hands-on what it takes to help ensure that the Earth will survive for future generations.

If you have any questions concerning this program, you can contact me by email: hr@pwgrossec.com or phone at 631-589-6353.

Thank you for efforts and dedication in assisting your students to prepare for their futures.

Regards,
P.W. GROSSER CONSULTING

Jillian Winters
Human Resources Manager
