

Support the Arts!

The Babylon Schools' Friends of the Arts (BSFA) is a group of parents, teachers, administrators, students and other community members dedicated to supporting cultural arts in our schools. Our mission is to assist our teachers and students in all their artistic endeavors.

We participate in many activities to enhance and strengthen the arts program. We sponsor receptions for the Art Honor Society, Thespian Honor Society and Music Award presentations at the High School. In addition, we host rehearsal dinners for two theater productions. We also award Visual and Performing Arts scholarships to our worthy Art, Music and Drama seniors every year. **Any Senior Class member who would like to be considered for this scholarship must be an individual or family member of the BSFA.**

Please complete the form below and return it along with a check for membership made out to the BSFA mailbox in the High School.

Thank you for your support.

Sincerely,
Tara Gonzalez, President
