

# The BHS Preschool Experience

A unique social learning experience to help children transition into the school environment, develop new friendships, and learn basic pre-kindergarten skills.

**\*Accepting Applications for the 2022-23 school year\***

## Babylon High School Panther Preschool

Tuesday & Thursday 9:15-10:35 at BHS

Children ages 3 & 4

who live in Babylon School District

Teacher: Ms. Lisa Brush 🐾 Preschool Aide: Mrs. Jodi Dee  
*The BHS Preschool Program was developed in 1979 by Mrs. Cindy Theiss*

## BHS Child Psychology "Student-Teachers"

*The special highlight of our preschool program*

Working together, we aim to create an engaging experience that promotes social skills and provides a positive introduction to school.

As "student-teachers", our high school students help guide the children during our preschool sessions. They also develop creative lesson plans and organize a wide variety of interactive activities.

We're looking forward to another fun year at Panther Preschool!

**If our program is a good fit for your child, sign up today!**
