January 2023

Dear Parents/Guardians,

Welcome to the Babylon Elementary School! I look forward to getting to know your child and working with you to help keep him/her healthy and safe during the school day.

To assist us in achieving that goal, the following is a list of documents to be submitted to the Health Office as soon as possible:

- Student Health Examination Form
- Immunization Record
- Student Health History
- Emergency Release Form
- Dental Certificate (requested)

Please know that New York State Law requires a Student Health Examination for all students **entering the school district for the first time** (and in our building) students entering **Kindergarten and First Grade**. This examination must be signed and stamped by a New York State licensed physician, physician assistant, or nurse practitioner and must be submitted within the *first thirty calendar days* of the start of school.

Immunization Records must be submitted within 14 calendar days from the start of school. All forms (with the exception of the child's immunization record) may be obtained from the school website, [www.babylon.k12.ny.us](http://www.babylon.k12.ny.us) under the 'Departments' tab and 'Health Services' link. For your convenience, forms may be submitted in any of the following ways:

- Fax: (631) 893-7967
- Mailed or brought to:
