## **SUPERINTENDENT'S REPORT**

- Mrs. Rozzi, Superintendent of Schools, reported that the District would like to honor and remember the brave veterans who served our nation and those who continue to serve and who have given us a safe and peaceful place to live in. There are a number of events going on in our buildings to honor America's past and present servicemen and women and we wish all a very happy upcoming Veterans' Day holiday.
- The Babylon Memorial Grade School was recognized for their fundraising efforts in raising over \$1,000 for the Ride for Life during the annual ALS Ride across Long Island last May. The money raised by students, staff and school community has helped provide hope and essential services for patients on Long Island. To recognize the students and school, Mr. Pendergast, founder of Ride for Life, was here to present a Bronze Level Banner to Babylon Memorial Grade School to display proudly. The banner celebrates the exemplary concern, commitment and compassion demonstrated by the BMGS team.
- Students, staff and community organizations recognized the Board of Education in honor of National School Board Recognition week. Mrs. Rozzi presented certificates from Western Suffolk BOCES and on behalf of the State of New York, a special Governor's Proclamation was given signifying and thanking the Board of Education for their service.
- Mrs. Rozzi mentioned that Newsday published the 2016-2017 Budget - Estimated TRS Employer Contribution Rate. All accounts indicate that the 2016-2017 Employer Contribution Rate will be between 11.50% and 12.00%. This is down from the current year employer contribution rate of 13.26%. So, what does this mean for Babylon in terms of dollars? We could be looking at a single year reduction of approximately \$200,000 - \$250,000 in that budget line.
- The 2<sup>nd</sup> installment of Babylon Highlights is set to be in mailboxes shortly. This edition details many student accolades as well as a section detailing the progress of bond projects going on around the district.

- We are happy to report that the district has received notification from the NYS Education Department notifying us that our application for APPR Waiver #1 has been approved.
- Superintendent’s Conference Day was a terrific day of professional talk and reflection, with the focus this year on grade-to-grade and school-to-school articulation among our educators (K-8) to ease transitions for our students. Our teachers are very excited to begin such important discussions as student work continues to be utilized in a meaningful way. At the high school level, some (9-12) departments were off site (i.e. the science dept. attended a symposium at Brookhaven National Lab, the Athletic dept. attended the Suffolk Zone conference, the Music dept. attended a Music Educators’ conference at Commack, the FACS dept. attended their LI regional conference and our school nurses went to WSBOCES for the day of PD.
- Student delegates, Katherine Bencivenga and Max O’Handley, reported on senior high student council events. They reported that the Safe Halloween event was a huge success and a generous food donation was made to Babylon families in need. Senior High Student Council will be going on a Project Adventure trip on November 13<sup>th</sup>.
