Has your child been assessed and found eligible for special education services? Yes No

I understand that the Bainbridge Island School District Half-Day Developmental Preschool Program is a tuition-based early childhood program option for typically developing students. I understand that my child's participation in the half-day program requires payment of tuition at the rates established by the district. Full tuition rate for 2023-2024: **\$3,000/year** (or \$300/month); 50% tuition rate: **\$1,500/year** (or \$150.00/month); 25% tuition rate: **\$750/year** (or \$75/month). The 50% and 25% tuition rates are only available by meeting the criteria for a scholarship and only a limited number of scholarships are available. Eligibility is determined using guidelines that are similar to those set for the federally-funded free and reduced price lunch program.
