

*You are cordially invited
to attend
Oakhurst Elementary School's
Back-To-School Night
on
Thursday, August 25, 2022*

This is an evening for parents and guardians to meet their child's teacher and become informed on what his/her child's "educational life" will look like during the school year! The schedule of classroom presentations are as follows:

5:30—7:00 pm	Family BBQ grilled up by Oakhurst Kiwanis Club
5:30—6:00 pm	Grade TK, K & 1 classroom presentations
6:00—6:30 pm	Grade 2 & 3 classroom presentations
6:30—7:00 pm	Grade 4 & 5 classroom presentations

This night is very important for all parents/guardians as you will learn about your child's instructional program, including Common Core grade level standards, curriculum, discipline, homework policies, and many other important topics. We ask that if you have other issues to discuss that were not addressed during the presentation, to make an appointment with your child's teacher at another time to discuss in more detail.
