CALL TO ORDER

ACTION ON MINUTES

Chair Nelson presented the Minutes from the February 22, 2021 Board Meeting and the February 25, 2021 Special Board Meeting and asked for additions or corrections. Hearing none, the Board approved the Minutes as submitted.

SUPERINTENDENT'S REPORT

PERS Bond Information, Simon Levear and Carol Samuels

Superintendent Parra introduced Carol Samuels and Brendan Watkins from Piper Sandler. Business Services Director Simon Levear reviewed the history of the District's PERS rates, which have generally increased over the past several years, reviewed recent methods utilized by the District to decrease its PERS rates, and summarized how a PERS bond (or POBs) could potentially further reduce the District's PERS rates. Piper Sandler Managing Director Carol Samuels provided a detailed overview of pension obligation bonds (POBs) and described the concept of POBs which is to borrow at a low interest rate to fund the unfunded portion of PERS liabilities and potentially earn higher returns on the borrowed money. Ms. Samuels reviewed current interest rates, Oregon history with POBs, PERS rates of return on investments (1970-2018), and risks involved with POBs. Ms. Samuels also shared results of ECONorthwest's assessment of POBs using three different interest rates, discussed other districts' results with issuing POBs, presented potential results for Bethel using three different scenarios, and shared next steps for the process if the Board is interested in pursuing POBs. Superintendent Parra, Mr. Levear, and Ms. Samuels answered questions from the Board throughout the presentation. The Board agreed to pursue POBs to the next step. A resolution will be presented at the next regular Board meeting which is scheduled for April 12, 2021.

Director Cunningham left the virtual meeting at approximately 6:20 p.m.

Bethel Health Center Update, Brooke Cottle

Bethel Health Center Director Brooke Cottle provided an overview of Bethel Health Center operations. The medical team is currently providing services via telehealth and in-person visits. Mental health visits are exclusively via telehealth. CDC guidance for safety measures is being followed for all appointments. Bethel

MINUTES

BOARD OF DIRECTORS

MARCH 8, 2021

Health Center will continue using telehealth appointments in the future because of accessibility, convenience and the ability to better connect with students and families. Ms. Cottle also answered questions from the Board and reported on UO and Bushnell interns providing mental health services, the partnership with the drug and alcohol counselor expanding to include services to middle school students, methods being used to promote the Bethel Health Center, the impact of the Board’s approval to serve students’ families, suicide prevention training, Sources of Strength, COVID-19 testing, and the flu shot and vaccination clinics. Bethel’s vaccination clinics have been very successful. They involve a team effort with several community partnerships and have supported the entire community, including smaller and larger local districts.

Financial Statement, Simon Levear

Business Services Director Simon Levear reviewed the February 2021 financial statement showing an estimated Ending Fund Balance of \$11,651,369.

Legislative & School Finance Update

Superintendent Parra reported on the recent March economic forecast report which is positive with revenues up slightly. No further reductions are expected in the State School Fund, Measure 98/High School Success, or Student Success Act/Student Investment Account during the current biennium. Superintendent Parra reviewed projections for the 2021-23 biennium, shared key points from the March economic forecast, provided an update on the COVID-19 relief package, summarized a \$250 million Oregon initiative for summer learning and childcare, and reported that the Joint Ways and Means Committee co-chairs’ budget framework is expected to be released later this month. In addition, Superintendent Parra referred to Governor Brown’s executive order to reopen schools for in-person learning expected later this week and reviewed dates Bethel’s hybrid instruction will begin:

- March 15, 2021 – Kindergarten
- March 29, 2021 – K-5
- April 5, 2021 – 6 – 8 (Cascade and Shasta) and 9 – 12

POLICY

The Board is committed to providing an educational program for all students living in the district. The Board believes all students living in the district who have not completed 12 years of education should regularly attend a public full-time school and be included in the available educational programs.

Students, who are five years old on or before September 1, will be admitted to Bethel's kindergarten program.

A child is considered to be six years of age if the sixth birthday of the child occurred on or before September 1 immediately preceding the beginning of the current school term.

All new students must register in the office. Students enrolled in the district shall comply with Oregon laws related to age, residence, health, attendance, and immunization.

Students located in the District shall not be excluded from admission solely because the student does not have a regular and adequate nighttime place of residence or solely because the student is not under the supervision of a parent/guardian.

Students located in the District shall not be excluded from admission where they are otherwise eligible, and they have not yet attained the age of 19 prior to the beginning of the current school year.

The District may admit an otherwise eligible person who is not receiving special education and who has not yet attained 21 years of age prior to the beginning of the current school year if the person is shown to be in need of additional education to receive a high school diploma or a modified diploma.

Students who attend a District school on an inter-district transfer, or were admitted prior to 2019 through open enrollment, are considered residents of the District.

Students living in the District who have attained the age of majority are considered residents of the District unless the student has transferred to another district via inter-district transfer or open enrollment.

Minor students living with a parent or guardian who resides in the District are considered residents of the District unless the student has transferred to another district via inter-district transfer or open enrollment.
