Shasta Middle School

Sixth Grade Transition

Future Shasta Families,

We are very excited to have your 5th graders join us next year at Shasta Middle School! We are in uncharted, unpredictable times, with students returning to school for Hybrid Instruction after being online for over a year. We recognize the decision was made to focus on the health and safety of Oregonians, as COVID-19 spreads throughout our nation. With this decision, it has drastically changed our incoming 6th grade transition to Shasta. Our future 6th graders have not been forgotten!

We recognize the incoming students are entering a period of rapid growth and change, while entering into a new school. We understand this can be a stressful time for students and parents. Our staff is diligently working to re-imagine what this transition will look like for students. As we develop these plans, we will continue to provide information, including forecasting and elective selections. Stay tuned for welcome videos, introducing staff and a tour of Shasta!

Thanks,

Brady Cottle, Principal
brady.cottle@bethel.k12.or.us

SHASTA VIRTUAL OPEN HOUSE

Tuesday, May 25
6:00 – 7:00 pm

Families will have the opportunity to participate in a Virtual Open House, where Shasta administration and counselor will be Zooming with our elementary feeder schools. Families are welcome to join to learn more about Shasta and ask questions.

Here is the **Zoom** meeting information:

Meeting ID: 986 1603 1802

Password: 780581

Individual Zoom Meetings

If you would like to schedule individual meetings with the school administration or counselor, please call the Shasta office at 541-688-9611.

Shasta Q & A

Q. What is the daily schedule?

A. Doors open: 8:30 – 9:05
School hours: 9:10 – 3:30
Lunch: 11:08

Q. What are the academic courses?

A. Students will have seven periods a day. All students will take four core classes: science, math, language arts, and social studies.

There are two elective rotation per trimester. The options may vary with band, choir, PE, health, art, musical theater, and more.

Students will also have a homeroom class, which is designed to support students through fun, interactive activities and lessons in a connecting environment.

Q. What are parent resources?

A. Home Access
Shasta Middle School webpage
Student Handbook online
Shasta Facebook page
Shasta PTO

Q. What access to technology will my student have?

A. At Shasta, students will have multiple opportunities to use technology throughout the school day. Students will have access to our two computer labs, Chromebook carts, and iPad carts. We want students to learn skills that will help them in the 21st century.

At Shasta we create a healthy learning community that prepares future citizens to be strong academically, socially, and culturally.
