Daily Procedures

Crunch & Sip

You may pack a snack and drink for your child to have mid-day.

Don't forget to pack a water bottle daily!

Students should arrive to campus at 6:50 AM and walk directly to the cafeteria if they choose to eat breakfast at school. Once receiving breakfast, students should go directly to their homeroom where they will eat and prepare for the day each morning.

Students will begin dismissal at 2:05 PM each day. Please expect a small delay with buses to arrive at each stop until drivers get used to the route. Download the BUS APP on your phone for realtime info.

Please make sure your child knows how they're getting home each day. Let us know if there will be any changes, so we can keep note!
