

Biloxi Junior High School was built in 2017 with state of the art labs, a modern cafeteria, and an expansive media center to meet the needs of our students in the learning trends of this century. Biloxi Junior High serves students in grades 7th and 8th. Students are required to take the basic core classes and 2 electives. We provide a variety of support services to meet the needs of all students. We believe in.. Excellence...From All...For All.

Biloxi Junior High offers a variety of clubs to provide students with opportunities to experience service projects and activities.
