Students are required to turn in ALL WORK on the day it is due. *10 points will be deducted each day that the assignment is late.*

Homework will be given if the student did not finish the necessary assignments that day during class.

Every 9 weeks, we will have at LEAST 3 tests.

All due dates and test days are given in advance and written on the board.

Absences

It is the responsibility of all students to check the makeup folder THE DAY THEY RETURN to receive work missed.

If a student misses a test, they will make it up THE DAY THEY RETURN.

Responsibilities and Preparation

Come prepared with your class binder or folder. Take out the supplies and assignments indicated on the board.

Enter the classroom quietly and immediately begin bell work.

You will only have 5 minutes to finish once the bell rings.

Work hard and follow all instructions during class.

I will let you know when to pack up and when you are dismissed.

Reteach, Retest, and Tutoring

Ms. Culpepper will be available after school Tuesday's & Thursday's.

Please ensure you have my permission to stay & turn a form in the day before you are staying.
