

## **Distance Learning Student Preparation**

- For general guidance, please check the Distance Learning tab on the BJH website.
  - <https://www.biloxischools.net/domain/2006>
- Familiarize yourself with the NEW bell schedule to determine what time to log into your virtual classes. The bell schedule can be found under the Our School tab for BJH.
  - <https://www.biloxischools.net/domain/170>
  - Example: If a student has science for 1st period on their schedule, they will log into their virtual science class from 7:55 AM to 8:47 AM. Distance learners will follow the exact bell schedule as traditional students.
- To join your teacher's class, go to Google Classroom and log in using your school email and password. Teachers will invite you to join their class. Be sure to accept the invitation once in Google Classroom. Please be patient as teachers will send invites on August 3rd or 4th. A survey will go out at a later date for parents who wish to join as a guardian.
- Please note that attendance will be taken every class period, every day.
