## Mrs. Nolan-Miller

### About Me

My name is Antoinette Miller. I was born in New Jersey. My father was in the ARMY so I moved around quite a bit. My favorite place that I have lived was Germany. I spent a total of 12 years there. My husband and I have a beautiful 9yr old daughter who keeps me busy. I love animals and I currently have an 18 year old Maltese named Dustin. In my free time I love fishing on our boat and traveling to new destinations!

### Education

I am a proud graduate of William Carey University where I received both my Bachelors and Masters in Education.
