- kleenex
- paper towels
- hand sanitizer
- highlighters
- colored pencils

Expectations & Goals

In this course, we will be reading a variety of texts and analyzing them. We will be exploring various concepts to become better readers and writers. You will be held to high expectations both academically and behaviorally; strive toward reaching your goals. Incomplete work, poor attitudes, and other non-productive behaviors will not put you on a path for success. If you are struggling at any point, please see your ELA teacher, so you can work together to come up with the best plan for your success.

Be prompt.

Be prepared.

Be productive.

Be polite.

Grading Policies

Additional Policies

Reteach/Retest & Tutoring

Students will be provided the opportunity to attend reteach and retest sessions on Tuesday and Thursday afternoons from 3:15-4:00 pm. Late buses will be provided after the Tuesday/Thursday sessions. Students may also be picked up by a parent or guardian at 4:00 p.m. (A signed after-school permission form is required for ALL modes of pickup/transportation.)

If students need to stay on these days, students must have an after school form signed and returned to the school one day prior to the scheduled after school session. An after school form is available in all ELA classrooms; they are also available on the school website.

According to the student handbook, students will only be allowed to retest 1 time per nine weeks, and they must retest within 10 school days of receiving his/her test grade. An ELA schedule for reteach/retest days will be attached to the Weekly Assignment Sheet which is emailed to parents/guardians every week. ***Further information on the retest policy is provided in the student handbook under "Retesting."**

ELA Teachers will be available for tutoring after school on Tuesdays and Thursday weekly. Please reach out to your child's ELA teacher to make arrangements.

Course Requirements

Students are expected to attend class daily and to come prepared to work with all needed supplies. Most work will be completed at school; hence, it is very important that students stay organized with their ELA assignments and due dates. Students are expected to write homework, assignments, projects, and test dates in their planners. Also, a copy of the Weekly Assignment Sheet will be emailed to parents/guardians weekly.

If a student is absent from school and misses an assignment, test, etc., the teacher will place a score of "1" in the gradebook to indicate to the student/parents that the work must be completed. Once completed, the work will be graded and entered into the gradebook. Per school policy, students will be allowed 10 school days to complete all make-up work.

A score of a "0" in the gradebook indicates that the student was present for that assignment, test, etc.; however, the student never turned in the assignment to the teacher in class.

Please note that students are required to complete all daily class work, assignments, projects, assigned readings, tests, etc. Students must master all standards with 65% mastery to be promoted to 8th grade.

In the event of an absence, it is the student's responsibility to check the daily presentation for ELA to see what he/she missed. The daily presentations are uploaded to the ELA Google Classroom for student/parent access.

***Further information on absences/make-up work is provided in the student handbook under "Attendance."**

Course Standards Pacing

Students will be following the 7th grade ELA Mississippi College and Career Readiness Standards. Below is a pacing of when these standards will be assessed throughout the year.

Term 1: RL 7.1-7.4; RI 7.1-7.4; L 7.4-7.5; W 7.3

Term 2: RL 7.5-7.6; RI 7.5-7.8; L 7.6; W 7.2

Term 3: RL 7.9; RI 7.9; W 7.1

Term 4: Review of all standards

Course Novels

Term 1: *A Long Walk to Water*

Term 2: Short Story Unit

Term 3: *The Giver*

Term 4: *The Outsiders*

More information can be found about these novels in our 7th ELA Novel Study Letter which is also being sent home with students.

Technology

Students' personal devices should be powered off and stored out of sight at all times (except for lunch). The only time a student should have his or her phone out in class is if the teacher has specifically directed him or her to get it out. Students will be given access to school chromebooks for classroom-related assignments and activities. A student's use of the district system, including the internet, must be in support of education and research, and it must be consistent with the educational objectives of the district. We will be utilizing various devices to access the internet to research, review material, and submit assignments. Students must hold themselves to high expectations when using these resources.
