**Course Description and Essential Knowledge**

College and Career Readiness is a two semester course. The first semester is taken in a student's junior year. Through this course, high school students may develop college- and career-readiness skills that will help them in the adaptation into college, career, and life. Students who complete this course will be well equipped for the workforce because they will have the cognitive and metacognitive skills needed to succeed in life after high school (MDE).

**Course Goals**

The Mississippi CCR course was developed to support the vision and mission of the Mississippi Department of Education that all students graduate from high school prepared for college, career, and active citizenship (MDE.)

**Units of Study**

Unit 1 Introduction to College and Career Readiness

Unit 2 Student Portfolio

Unit 3 College Selection and Transition

**Grades**

Grades will be determined using the following breakdown.

55% Assessments/Major Projects

35% Daily Assignments

10% Term Exam

**Absences**

It is vital that students are in class and ready to learn daily. When an absence is unavoidable, students should check our Google Classroom to get the assignment for the missed day. Students are responsible for any work they missed.

**Late Work Policy**

It is expected that students will turn in high quality assignments on time. When students fail to turn in their assignment at the allotted time, they will receive a **starting** grade of 70. Students will have three [3] days (including weekend days) to turn in their missing work. **After three days the student will receive a maximum grade of 50.**
