### Brief summary of meeting

**Vision Statement:** The Bridgehampton Curriculum Committee’s sole purpose is to ensure that a comprehensive, academically sound, vertically aligned, and instructionally appropriate curriculum is provided for all courses, Pre K-12 grades that meets the needs of our evolving district and prepares our students for college & career readiness.

**Goal Statement:** Create an overview for every course currently offered in the Bridgehampton School District.

**Agenda:**

#### Special Meeting of the Curriculum Committee

- Update from Administrators and Teacher Chairs on progress of 4th quarter overviews.
- Discussed the idea of temporarily suspending work on individual staff class overviews due to the school closure and new alternative/continuity of learning/distance learning mandate. We also discussed the idea of administrators and teacher chairs taking on the role of providing online instructional support to their respective staff. The consensus of the committee is to temporarily (and indefinitely until further school closure guidance) suspend work on individual staff class overviews and for administrators and teacher chairs to devote efforts to instructional support of staff during the school closure.
