

BOARD MEMBER CONFLICT OF INTEREST

The members of the Board of Education shall avoid acting in circumstances where their personal interest conflicts with that of the public whose interest they have been elected to represent. The actions of the Board shall be governed by the applicable provisions of the General Municipal Law, any other applicable law and the code of ethics established pursuant to Board Policy 2160.

The employment of relatives of members of the Board of Education requires a two-thirds vote of the members of the Board of Education. Relatives, as well as all other personnel, will be considered for appointment only on the recommendation of the Superintendent.
