

Bridgehampton

GSA

Genders and Sexualities Alliance

Everyone is welcome.

Bridgehampton GSA is a social, support, and activist club dedicated to creating a safe, fun, and enriching school experience for all, including LGBTQ+ students and their allies. **Everyone is welcome**—lesbian, gay, bi, trans, queer, nonbinary, asexual, and questioning students, and their allies--including students who identify as straight, students with LGBTQ+ friends and family members, and **students who don't have or need a label for their gender identity or sexual orientation**. We meet at lunch on Mondays and after school on Thursdays in room 211, where we talk; work on crafts and projects; have parties; plan activities, fundraisers, and rallies; and create and participate in programs with other East End GSAs and student groups. We also plan our school's participation in the East Hampton Village Pride Parade on the first Saturday in June. Please see **Mr. House, GSA faculty advisor**, for more information.
