SCHOOL PROFILE 2021-2022

Location and Community

Beautiful Bridgehampton, New York is an historic village in the Township of Southampton, Suffolk County, and is located on the South Shore of Eastern Long Island. This former farming community was first settled in 1656, and is situated approximately 100 miles east of New York City. Bridgehampton is a quiet, residential community, comprised of single-family homes, farms, and unspoiled beaches, a thriving summer community and arts colony.

Celebrating 100+ years of educating students, Bridgehampton School is a public school that offers the benefits of a small private school. It provides a Pre-K through Grade 12 New York State, standards-based curriculum. Our student-to-teacher ratio of approximately seven to one allows us to provide an education specific to the learning ability and development of each student. Our integrated approach to teaching inspires our students to think critically and creatively. The 2010-2011 school year marked the school's centennial year! We continue to shape our 'next hundred years' with pride and accomplishment here at Bridgehampton.

The school district has a "classic" main building with smaller buildings that house Administrative Offices, Music, Pre-School, Science and Special Education Offices. The Bridgehampton Union Free School District has an active Parent-Teacher Organization to support and complement the students, District Staff and the Board of Education.

***Requirements for Valedictorian and Salutatorian Designations:**

Class rank is calculated at the end of six semesters for college applications. Students' grade point average (GPA) is recalculated after seven semesters (i.e., after the second quarter of the senior year) to determine the Valedictorian and Salutatorian of the graduating class. Class rank is not re-calculated after eight semesters. The Valedictorian and Salutatorian are, respectively, the students with the highest and second highest cumulative weighted GPA who also must meet the following minimum requirements:

- On track to receive a Regents Diploma with Advanced Designation at the end of the fourth year of high school (see page 4).
- Completed a minimum of three (3) Honors and/or Advanced Placement courses
- Attained a cumulative weighted GPA of 90 or above for Valedictorian and 85 or above for Salutatorian
- Attended Bridgehampton High School throughout their junior and senior years.
