Summary:

1. Reviewed Wellness Policy- We will check in periodically throughout the year if we feel something should be added or changed with BOE approval.
2. National Bike to School Day or National Walk to School Day- next meeting we should discuss ideas to ensure our students are doing something like this. Potentially in the spring we could complete one of these as a district.
3. Bring all BOE policies that deal with social and emotional supports of students to the next meeting.
4. "Screenagers"- Discussed how beneficial this would be for our students. Expected date of the movie will be March.
5. We should promote more games and activities for birthday celebrations.
6. One suggestion to get more people involved- the use of videos on the weekly newsletter, website, and potentially a Bridgehampton YouTube channel.

Goals- Preliminary and not set in stone. We can reconvene at the next meeting and finalize. Please bring any suggestions or ideas to the next meeting for goals for the 2017-2018. As mentioned today, please make sure they are measurable and attainable.
