Minutes

New Projects:

- Discussed vendor Enviroscience and their asbestos test results of the main building crawlspace/basement soil.
 - Entrance to main building crawlspace has been restricted. No staff permitted to enter.
 - We are working with Enviroscience to get three quotes to remediate.
 - Remediation to be scheduled to begin on Monday, June 29.
 - Enviroscience has advised there is no health or safety concern to students or staff.
- Discussed gymnasium floor and possible replacement
 - Committee discussed waiting on floor replacement until a decision is made to construct (or not) a new gymnasium.
 - Committee recommended discussing with Board of Education as well.
- Discussed upgrading PPS building and District Office (DO) building electrical service
 - Presently, PPS electric service is from the main building.
 - District Office has electric from the Music/Science building as well as main building.
 - Plan to bring separate service to PPS and DO from electric pole on west side of the property.
 - Both PPS and DO service from main building would be terminated.
 - This would free up circuits in main building for future use.

Outstanding Projects:

- Music/Science Building – rear deck currently being replaced.
- District Office Building – rear deck scheduled to be replaced in May.
- Main Building – gym roof, greenhouse, skylight, ceiling, scoreboards, shot clocks, walls, air vents to be repaired/repainted July or August.
Hallway, offices, & classrooms – install new hallway drop ceiling and replace all fixtures with LED energy efficient fixtures July and August.
Main Building exterior brick sealer to be applied in May.
- Outdoor basketball court to be painted May (courtesy of Doug DeGroot).
- Playground – new surface scheduled for May.
