NEIGHBORS HELPING NEIGHBORS

Brighton Fire Department is a combination department, meaning we rely on the skills of both career and volunteer firefighters. As a combination department, **Brighton Fire is looking for more community members to become volunteer firefighters.** No experience is required! The only things you must have to be a great firefighter are time to give and an eagerness to learn. If that sounds like you, you could be our newest star recruit!

We strongly believe that anyone can be a good firefighter, regardless of their gender, race, age, sexual orientation, or any other identity. We recognize the responsibility the fire service has to progress diversity, equity, and inclusion. We are committed to building a fire department that reflects our vibrant community.
