

**HALL's CORNER – Summer 2019 Edition!**  
**SUMMER GREETINGS FROM BRIGHTON HIGH SCHOOL**

**Students Schedules will be available via the Parent/Student Portal on August 17<sup>th</sup>!**

**First Day of School is Wednesday, Sept. 4th**

**BHS Opens at 6:45 AM on School Days**  
**Homeroom starts at 7:40 AM!**

I look forward to working with you and your children this coming school year. It is going to be a great one!

Dr. Thomas Hall  
BHS Principal

[tom\\_hall@bcasd.org](mailto:tom_hall@bcasd.org)

585-242-5000, ext. 4500 (New Extension!)

**Don't forget that ALL phone extensions K-12 have changed.**

Dear BHS Families and Students:

**We are gearing up for an incredible 2019-2020!** For all of you whom I have not yet had the pleasure of working with, I look forward to seeing you at school, at your child's events, at PTSA meetings, at VPA events, at athletic contests, and more!

**Topics covered in the 2019 Hall's Corner Summer Edition**

- **Who is the BHS Principal?**
- **What is NEW at BHS?**
- **What are we working on this year at BHS?**
- **Reminders and Important Information**
  - Freshmen and New Student Orientation
  - New Parent Orientation
  - BHS Schedule
  - Attendance Procedures
  - Suggested School Supply List
  - Hall's Corner and the Student/Parent Portal System for Grades
  - Fall Athletic Information for FALL ATHLETES
  - Dignity for All Students Act (DASA)
  - Safe Schools Helpline
- **Code of Conduct Updates/Revisions**
  - Hallway Policy
  - Vaping Devices/Vaping Materials
  - OTC Medications/Prescription Drugs
  - Electronic Devices
  - Academic Honesty
  - Open Closed Campus and Main Entrance and Exits
    - NEW DOOR buzzers at Door #1 and #20
- **Athletic News**
  - **Click here for the Athletic List of games and sporting contests:**

- <https://www.mcpsac-ny.org/q5-bin/client.cgi?G5genie=736>
- **Calendar of Future Events – Check this out!**
- **BHS Administration, Counselors, and Contact Information**

### **Who is the BHS Principal?**

**This will be my 24<sup>th</sup> year in education and my 23<sup>rd</sup> year in the Brighton Central School District. Before becoming the BHS Principal in 2012, I...**

Taught Regents and AP Biology in the BHS Science Department;

- Coached varsity football and varsity girls' lacrosse;
- Assisted with Science Olympiad, was a class advisor, and participated in many extracurricular events like Whale Watch and Peak Experience;
- Served as an assistant principal at BHS from 2002-2007;
- Served as FRES Principal from 2007-2012.

**I love what I do each and every day and look forward to serving you, your students, and the BHS community in the new year! I truly believe in our mission at BHS and will do everything I can to make it our reality – *BHS believes that everyone has the right to attend school in an environment that is safe, welcoming, caring, professional, and free from harassment.***

### **What is NEW at BHS?**

- Four newly renovated student bathrooms!
  - 2<sup>nd</sup> and 3<sup>rd</sup> floor near auditorium
- Two additional and newly renovated student bathrooms!
  - 1<sup>st</sup> floor near elevators
- Cafeteria – New booth seating, additional charging stations and outlets, additional high top tables and chairs!
- Library – New furniture on the lower level, renovated student work rooms, charging stations and outlets, and high-top tables and chairs!
- February 2020 – Brand NEW Auditorium!
- Door #1 and Door #20 BUZZ in door systems – More to come on this at our first day class meetings.

### **What are we working on this year at BHS?**

As a school, we will be working on the following Brighton Blueprint Goals/Initiatives in the coming year. I will certainly provide an overview of the year and answer questions at our first two **PTSA Meetings with the Principal on 9/24 at Noon and 7 PM in room 262.**

- Continuing to meet with our **Culture Climate Leadership Team (CCLT)**, made up of over 50 students representing a diverse group of club, group, and student council leaders, and faculty/PTSA representatives. This past summer we analyzed our 2018-2019 Student Culture Climate Survey, developed recommendations to address survey concerns, reviewed expectations for reporting and addressing incidents of intimidation/harassment/DASA violations, student vs. faculty perceptions of culture and climate, connections between students and adults, reviewed our hallway expectations, appropriate language expectations, and addressing issues related to theft and vaping. We had a great and informational work day with many more days to come this school year! **We believe that everyone has the right to attend school in an environment that is safe, welcoming, caring, professional, and free from harassment.**

- Increasing our **mental health support** for all students with the addition of **Licensed Mental Health Counselor – Kristin Haughey**, providing NEW parent education programs, providing new student education programming on vaping/drugs/alcohol, depression, anxiety, and more. We are also hopeful that with the addition of Kristin to our mental health team, counselors will be more available to students on a daily basis for routine questions about their schedule, college process, career opportunities, and more;
- Continuing with our **focus on diversity and unconscious bias** with a specific emphasis on the implementation of **restorative practices and use of conflict resolution circles** to provide students an opportunity to engage in restorative conversations when conflict/code of conduct violations take place at the high school level with other students or staff – the goal is for the students and staff to work together to repair relationships and to discover solutions to the conflict/problem, building skills for the future (research, rationale, best practices, training, etc.).
- **Continuing our study on the concept of homework** with ALL departments at the high school level including: research, the purpose of HW, rationale, best practices, and making recommendations for improving our overall approach with homework;
- Studying and evaluating our **new security policies and protocols** and adjusting as needed
  - Door #1 and Door #20 will be locked throughout the school day and visitors/students will have to buzz in after 7:45 AM.

### **REMINDERS & IMPORTANT INFORMATION**

#### **Freshmen and New Student Orientation – BHS GYM**

Orientation will be held on **Thursday, August 29<sup>th</sup>**. This is our fifth year with the LINK CREW program to assist freshmen and new students in grades 9-12 with their transition to BHS. Link Crew is a nationally recognized program that pairs high school upperclassmen with freshmen and new transfer students.

**Orientation runs from 8 AM – 12:00 PM for all freshmen and new students entering grades 9-12.**

**Students will meet in the BHS GYM at 7:50 AM.**

Our Link Crew Leaders attended an initial training in May and have follow up training in August. All Link Leaders are expected to attend the trainings as well as the Orientation Day. If you have any questions about Link Crew or Orientation, contact counselor, Keri Crowley, at [keri\\_crowley@bcasd.org](mailto:keri_crowley@bcasd.org) or 585-242-5000 ext. 4530. ***Orientation is for students only.***

#### **NEW Parent Orientation and 9<sup>th</sup> Grade Parents who missed 8<sup>th</sup> Grade Parent in January, 2018**

If you are a new parent to Brighton High School or are a parent of an incoming 9<sup>th</sup> grade student who missed our 8<sup>th</sup> Grade Parent Night held back in January, 2019, we are holding a PARENT Orientation Night on **Wednesday, August 28<sup>th</sup> from 6:30 PM to 7:30 PM in ROOM 262** of Brighton High School. We will devote part of the meeting to general questions about BHS.

Information about our schedule, school policy and procedures, communication with staff, school activities, academic offerings, opportunities for student help, PTSA, school calendar, etc. will be shared at this meeting. All attendees will get a packet of important information about BHS. You will also hear from current students who transferred into BHS.

## SCHEDULE Reminders

- Homeroom starts at 7:40 AM and 1<sup>st</sup> period starts at 7:49 AM. **Students are expected to attend Homeroom each day to ensure proper recording of attendance, participation in surveys/voting, and obtaining other important information.**
- **FLEX Period is from 11:01 AM to 11:31 AM daily**
  - *Students are **NOT** allowed to leave campus during this time unless legally excused for an appointment, etc.*
- **Open Campus will continue to be during periods 5, 6, and 7**
  - **Open campus is from 11:35 AM to 1:58 PM each day.** Students with free periods during this time are welcome to leave campus. Students may lose this privilege for academic and/or behavioral reasons.
  - As usual, students will be required to sign out when leaving the building during open campus times and sign back in when they re-enter the building at one of our two security desks. Students will continue to sign in/out from the attendance office if arriving late to school or leaving early for appointments.
  - **Parents may ask that their student's open campus privileges be restricted. Contact your student's assistant principal ASAP if you wish to do this.**
  - ***Students are not allowed to transport other students in cars during the school day.***

## Attendance Office – PLEASE REVIEW (as per BHS Parent/Student Handbook)

### Procedures for Notifying Office about Absences and Late Arrival/Early Dismissal

Notifying Attendance Office – If a student will be absent, tardy, or leave early, **the parent/guardian must notify the attendance office that day or the day before the school absence.** Students without proper notifications for being absent, tardy, or leaving early, will have their attendance recorded as unexcused and will face disciplinary action.

The Attendance Office voicemail can be reached 24-hours a day at **242-5000, Ext. 4520**. If you choose to leave a phone message or send in a written notification, the information provided **MUST** include:

- A. Parent or guardian's name and relationship to the student**
- B. Student's name**
- C. Date(s) and times of absence(s) - past and future**
- D. Reason for absence.**

## 2019-2020 Suggested School Supply List

BHS has a suggested school supply list for several BHS departments and courses. Some courses list general supplies for all sections and some teachers have individual supply requests for their specific sections. Please review and plan accordingly. **Final schedules with teacher assignments will be visible on Parent/Student Portal on August 17<sup>th</sup>.** **Students can be proactive in purchasing supplies before the first day of classes.** We hope this assists you with the purchasing of school supplies! Use this link to access list:

***You can also find the PDF version of the suggested supply list on the BHS website by selecting About US and Principal's Page and clicking the link at the top or from the list of Related Files.***

## Information During the School Year – Hall's Corner e-NEWS, Parent Portal, and School Messenger!

During the school year, you will receive information from BHS primarily through e-News, the Parent Portal, School Messenger (automated phone messages), and occasional special mailings. If you are not already signed up, **please sign up for the Parent Portal to have access to your child's updated course grades, schedule, attendance record, running averages, and report cards.**

Please sign up for the Parent/Student Portal to have access to your child's course grades, updated schedule, attendance record, and report cards. **Here is the direct link to the Parent/Student Portal system:** <https://schooltool.bcsd.org/schooltool/>  
If you already have an account from last year, you are all set! **If you did not have an account last year, or if you have forgotten your account information, please contact us at [BHS\\_MainOffice@bcsd.org](mailto:BHS_MainOffice@bcsd.org), state your name, your child's name, and request access to the parent portal. An account will be created for you.**

### **PARENT/STUDENT PORTAL UPDATE**

Parent Portal provides parents with access to their own child's school information including schedules, attendance, report cards, grades and a running average. Our teachers have always been committed to providing timely feedback. Parent Portal is simply an online extension of their hard work in this area, and parents should expect continued timely communication.

**Teachers will be updating the portal regularly following the completion of assignments.** You can also expect your student's running average and assignments to be kept up to date. The goal is to allow students and their parents the ability to see a student's academic progression throughout each quarter.

### **FALL ATHLETES – Certification Reminders from Mr. Merritt – Athletic Director**

**August 19<sup>th</sup> is the 1<sup>st</sup> day of JV/Varsity Sports. FamilyID is officially open for Fall registration.** Listed below are important dates to enable you to plan. At this time, we do not have practice schedules. We will post this information as soon as possible.

**Fall Sports Begins (JV and Varsity): August 19, 2019**  
**Registration (FamilyID) Opens: July 22, 2019**  
**Registration (FamilyID) Closes: August 8, 2019**

Families must register their athlete using FamilyID **prior** to the start of the season. The link to FamilyID is <http://www.familyid.com/brighton-central-school-district-athletics>.

Athletes that had a physical **on August 1, 2018** or later **MUST** be uploaded to the FamilyID system, regardless if it is already on file at school. **Physicals from before July 31, 2018 will not be accepted for registration.** It is critical that you list any of your child's prior injuries. If an injury occurred within the last year, we must have a doctor's release on file so that your athlete can be cleared to play. Athletes will also need a **current Tdap vaccination** on file with the health office to be approved. **Please register by August 8, 2019. Do not delay. You will need to be cleared by the BHS nurses well before the first practice. You will receive an email from FamilyID once you are approved.**

**Please contact the Athletic Office or BHS Health Office with any questions regarding your child. If you have questions regarding the FamilyID system, please call 888-800-5583, ext. 1.**

### **Dignity for All Students (DASA)**

**Goal:** To end bullying, prevent future incidents of bullying, ensure the safety of all, and obtain prompt and equitable resolution of a complaint. The Dignity Act prohibits discrimination against students by students and/or employees on school property or at a school function based upon a person's actual

or perceived...**color, weight, disability, ethnic group, national origin, race, sexual orientation, sex, gender (including gender identity or expression), religion, and/or religious practice.**

**What do you do if you or your student have or think you have a DASA complaint against a staff member or another student?**

- Contact the Dignity Act Coordinator, Dr. Hall, to discuss and/or file a complaint; (585) 242-5000 ext. 4500 or [Tom\\_Hall@bcasd.org](mailto:Tom_Hall@bcasd.org)

**The Safe Schools Helpline**

The helpline was designed to help prevent any situation that may jeopardize the safety of our schools, students, staff or school community. The Safe Schools Helpline is monitored 24 hours a day, seven days a week. The Helpline is anonymous to protect your privacy and enhance the likelihood that you or others will report dangerous circumstances, especially after school hours or on the weekends when school staff might not be available.

**Examples of safety concerns that you may want to report anonymously include:**

- potential acts or threats of violence;
- drug or alcohol use;
- theft;
- weapons;
- sexual harassment/abuse;
- bullying/cyber bullying;
- concern for someone's mental or emotional health and well-being;
- immediate assistance to a suicide counselor for prompt assistance and intervention if they so choose.

You may also submit an anonymous report through the Safe School website at [www.safeschoolhelpline.com](http://www.safeschoolhelpline.com) or via text by messaging 66746 and then typing "TIPS" to begin the reporting process.

**UPDATED/REVISED Code of Conduct Policies – As Per the BHS Parent/Student Handbook**

**Please refer to the 2019-2020 BHS Parent Student Handbook  
for ALL school policies and code of conduct.**

**You can find the complete code of conduct on the BHS webpage under About Us and Principal's Page.**

**HALLWAY POLICY**

Students are expected to be quiet and courteous while in the halls. Disruption of classes, interference with the educational environment, inappropriate/offensive language, impeding movement of others through the hallways, etc., will not be tolerated. Students are allowed to move through the halls without passes. If staff members determine that hallway behavior is disruptive to the academic environment, students may be asked to move to the cafeteria. All trash **MUST** be placed in the proper trash bins. Everyone must work to support a clean and quiet hallway environment. **Students using electronic equipment must wear headphones when listening to audio recordings or videos to minimize disruptions in the hallways. During building hours, students are NOT allowed to loiter in stairwells or entryways.** Violation of this policy may result in disciplinary action, including loss of free periods.

**VAPING DEVICES and Vaping Materials**

**Vaping use is certainly on the rise in the US, NYS, Monroe County, and in local high schools.** In our 2017 Youth At Risk Behavior Survey, 11% of our students (110 students) admitted trying traditional cigarettes at least once in their lifetime. However, 28% of our students (280) said they tried

e-cigarettes and/or other vaping devices at least once. **In the 2019 Youth Risk Behavior Survey, 11% of our students admitted to trying traditional cigarettes at least once in their lifetime, but, 34% (311 students) said they tried e-cigarettes at least once.**

**I will be sending out a vaping/marijuana edible update in mid-August with some updated research and articles.**

### **Over the Counter (OTC) Medications, Prescription Medications, & Drugs**

Student possession/use/distribution/purchase/selling of OTC, prescription medications, and/or other illegal drugs in school is prohibited. Students may only obtain OTC medications from the health office if a written release is on file, signed by a parent and the student's physician.

It is against NYS public health law and Brighton Board of Education Policy for students to possess, use, and/or distribute over the counter and/or prescription medications while on school grounds. Parents and the student's doctor should complete the OTC medication release form and submit the form to the health office. This form allows our school health office to administer basic OTC medications such as acetaminophen or Ibuprofen.

### **ELECTRONIC DEVICES**

Modern technology has made available many forms of electronic devices for communication and computation. Examples of electronic devices include, but are not limited to, ALL SMART DEVICES, cell phones, calculators, personal laptops/computers, school issued laptops/computers, digital cameras, recording devices of any kind, hand held devices, etc. In most cases, laser pointers are not allowed in school. The Brighton Central School District is not responsible for damage, missing, or loss of personal property, nor is the district responsible for locating personal property that has allegedly been stolen or missing.

Students may bring devices to school but must also recognize they are responsible for their safekeeping and for their appropriate use. While these devices are useful, they also cause many concerns in the school environment as described below.

**Students who use electronic devices that disrupt the academic setting, invade someone's privacy, and/or cyberbully others, may be subject to disciplinary action, up to and including, confiscation of devices, turning in devices to the classroom teacher prior to the start of class, turning in devices to administrators for a period, multiple periods, for the day, week, month, etc., banning devices from school property, suspension from school, and/or other disciplinary penalties as defined in the District Code of Conduct.**

**Students who have been banned from using electronic devices on school property are also banned from using other students' devices while on school property, and these devices will be confiscated. Students sharing devices with other students are subject to disciplinary action and may be subjected to further discipline if their device is used to disrupt the academic setting and/or to cyberbully other students and staff.**

### **Invasion of Privacy**

Given the capability of electronic devices (audio and visual), they cannot be used in a manner that will jeopardize the privacy of either staff or students. Students may not record or take a picture of other students or staff without their permission. The use of devices in restrooms or locker rooms is strictly prohibited. Students who use electronic devices in inappropriate manners may be subject to

disciplinary action, up to and including, suspension from school. **Items may also be confiscated and students may be restricted from bringing devices to school.**

**The production, possession, transmission and/or distribution, by any means, or the transmission of materials as text, including but not limited to, sexually suggestive images, nude or partially nude images or sexually explicit text in any media, is strictly prohibited.** Students violating this policy may be subject to all district forms of discipline, including police involvement/arrest.

### **Disruption of Academic Setting/Cyber-bullying**

Brighton High School's purpose is to maintain an academic environment. Electronic equipment should be activated during academic settings for approved academic use only. Settings refer to, but are not limited to, the library media center, classrooms, computer labs, study halls, support center, skills lab, public assemblies, and field trips. **If not being used for teacher/administrative approved academic purposes, personal electronic devices should be silenced and/or turned off on a daily basis upon entering a classroom setting unless otherwise directed by your teacher or staff member. Students should not disrupt the academic setting by using electronic devices.**

As with other forms of bullying, cyberbullying is an attempt to display power and control over someone perceived as weaker. Cyberbullying involving District students may occur both on campus and off school grounds and can involve student use of the District Internet system or student use of personal digital devices while in school buildings, on school buses, on school property, and/or at school sponsored events/activities whether occurring on or off school campus. Cyberbullying includes, but is not limited to, harassing, teasing, intimidating, threatening, or terrorizing another student or staff member by way of any technological tool, such as sending or posting inappropriate or derogatory e-mail messages, instant messages, text messages, digital pictures or images, sexting, or Web site or social media postings (including blogs).

### **Academic Honesty**

To maintain an appropriate educational environment, electronic devices (audio and visual) must not be used in any manner that will jeopardize the integrity of any class assignment, homework, and testing or assessment situation. Any violation of this provision will be considered a violation of Brighton's policy of academic honesty (see academic honesty).

### **OPEN/CLOSED CAMPUS & MAIN ENTRANCE AND EXITS**

Students will be required to sign/swipe out when leaving the building during open campus times and sign/swipe back in when they re-enter the building at one of our two security desks.

During periods 5-7 (11:35-1:58), campus is open and students with free periods during this time are allowed to sign out at a security desk. Students must sign back in at the same security desk. **Students are not allowed to transport other students in cars during the school day and are not allowed to sit in their cars during the school day.** During periods 1-4 and 8, the campus is closed and students are required to remain on the high school campus. For security/educational purposes, students may sign out of the building, remain on campus, and sign back in at the end of the free period. Students are to remain behind the building. **However, campus is closed from November – May each year during periods 1-4 and 8.** Students must remain in the building during these months and can only sign out to leave the building during open periods or for an approved excused appointment.

### **Main Entrance and Exits – Door #1 and Door #20**

For security purposes during the school day, students are only allowed to enter and exit through door #1 and door #20 (entrances monitored by security). **Students are NOT allowed to prop open doors**

**or to open doors/exit from doors in other areas of the building. All exterior doors will be alarmed and monitored.** Students found violating this security policy will face disciplinary consequences. This is a major safety violation!

**Reduced Free Periods and Open Campus Restrictions**

Students in the 9th grade at BHS may have reduced free periods and limited open campus privileges based on their academic performance and behavioral infractions at TCMS. Students coming to BHS from TCMS with final course grades, second semester special course grades, and 4th quarter special course grades of D or lower, and students coming in with behavioral infractions as noted by TCMS Administration (such as Saturday detentions, ISS, and/or OSS) will be affected by this policy.

Students who meet the criteria above will be scheduled into a study hall, skills lab, and/or academic intervention class depending on student need. BHS FLEX time may also be limited or structured for these students. Depending on a student’s specific schedule and course selection choices, every effort will be made to ensure at least one free period per day for lunch.

At the end of each quarter, report cards of ALL 9th grade students will be reviewed.

- Students with free period and open-campus restrictions may be granted free periods based upon passing grades and parent consultation. Students having one or more failures may be placed in structured supports during free periods and FLEX as their schedule allows.
- Students with NO behavioral infractions and/or students modeling our BHS mission statement may also be granted free periods on a case-by-case basis.

**Parents of incoming 9<sup>th</sup> graders or current 10<sup>th</sup> – 12<sup>th</sup> graders can also request that their child’s free periods, FLEX time, and open campus privileges be limited or structured. Please contact your child’s assistant principal ASAP if you wish to do this.**

**Students are NOT allowed to sit in cars during the school day.**

**Please note the following upcoming events:**

<u>Date</u>	<u>Event</u>	<u>Time</u>
August 17	Student Schedules on Parent/Student Portal	12:00 AM
