

Hello my name is India Martin and for my project I did a video on the 1920s, also known as the Roaring Twenties. I chose this topic because I like social studies and history and the 1920's were a time when many big things happened. I learned about my topic by watching a PBS Documentary about Jazz and a book about fashion through history. I also watched some edpuzzles about flappers. I think it's important when I learn because it is women's history month and the 19th amendment giving women the right to vote was passed in 1920. I hope you enjoy my video.
