

Mrs. Mugnolo

Kindergarten Messages

Week(s) of Sept. 6-9 and 12-16

Language Arts

We heard these stories this week:

-Miss Bindergarten Gets Ready for Kindergarten

-On the School Bus

-A is for Salad

-The Dot

-My Name is Johari

-The Pledge of Allegiance

We solved clues to determine what was in our **"School Tool"** tool box.

We have had scissors, glue sticks, crayons, playdoh, and birthday decorations in our tool box. We talked about where we keep these in our room and how to best use them.

We used these "tools" in a variety of ways in the classroom and we also learned how to take care of them.

PLEASE REMEMBER NOT TO SEND ANY SNACKS WITH PEANUTS OR TREE NUTS OF ANY KIND. THANK YOU!

Social Studies

We will be learning about our names and why they were chosen and their special meanings. Please find a "homework" page in your child's folder.. Help your child prepare to share some information about his/her name by jotting some notes on the homework page and returning it to school by Wednesday.

Math

We began our math work with finding out how many students are in our class. We talked about how we will keep track each day of the number of students that are in attendance. We reviewed the use of a calendar and talked about the date. We will be using the Smart board to do a variety of counting and problem solving activities.

★ Please remember to send a healthy, **easy to manage** snack to school each day.
