(Photoshop Pen Tool Tutorial (Tattoo Design))

Your task is to design a tattoo for a client. They would like a tribal style tattoo with black ink. They want the tattoo to be an arm band so it must be 8 inches wide and 4 inches tall.

If you complete the design from the tutorial you will be able to earn 15/20 points. If you modify and improve the design you can earn more than 15/20 points. After you have finished this task you will be able to make your own tattoo design.
