

## ParentSquare School Communication Opt-Out Form

Bethel School District staff use ParentSquare to communicate with parents and guardians. This includes emergency messages, as well as information closely related to the school's educational mission.

Bethel families will receive notifications via email, text, voice call, and posts from the ParentSquare mobile app and ParentSquare portal, depending on the contact information provided to our district. Parents are automatically registered to receive notifications when they enroll their student. *Please note: standard text messaging rates may apply for all text messages.*

To opt-out of receiving notifications, you can:

- Fill out and return the form below to your school office, OR
- Contact your school office and provide your email and cell phone number

Additionally, you can opt out of individual communication channels:

- **Emails:** Click the "unsubscribe" link in any ParentSquare email you receive
- **Text Messages:** Click the "opt out" link in the first text message you receive from ParentSquare. You can also reply STOP to any subsequent text you receive
- **Phone Calls:** Call your school's office

If you are not a parent or guardian and are receiving notifications in error, please contact us at 541-689-3280

*\*Note: even if you opt out of receiving communication, you will still receive notifications for emergencies and other school information deemed important, such as attendance.*

**To opt back in:**

- Contact your school and provide your email and mobile phone number
- **Text Messages:** If you sent "STOP" to the initial ParentSquare text message, you can reply "START" to any text you have received from ParentSquare or send START to: 66458

Please update my communication preferences as indicated below. I understand that even if I opt-out of receiving all communication, I will still receive notifications for emergencies and other school information deemed important such as attendance.
