

West Cabarrus High School – 2021 Course Offerings

Rising 10th - 12th Graders

Students will register for 2021 - 2022 classes in their PowerSchool account. On the back of this form, you will find West Cabarrus High School's 10th-12th grade course options. Students should talk with their parents and teachers to determine the best course options for next year that best align with your interests and post-secondary plans. All students must choose eight courses and four alternates. Parents and students should visit the "Student Support Services" tab on West Cabarrus High School's webpage. You will see a "2021-2022Registration" tab on the left. This will take you to all the important information and documents regarding registration 2021-2022. This information can also be found on the WCHS Student Services Canvas Page.

Important Dates

- o January 25th – Online Registration Packets available for rising 10th - 12th grade students in Canvas
- o February 1st – February 11th - Counselors are available during Office Hours -Monday-Thursday 8:30-8:55, 10:10-10:35, 1:50-2:15
- o January 25 (6:30-7:30) – WCHS Virtual Curriculum Night (Registration Information Provided)
- o January 25th – February 15th – PowerSchool Registration is OPEN
- o February 15th – Deadline to enter course selections in PowerSchool

Please Note: This is a schedule request and classes are not guaranteed. Choose alternates that you are willing to take in case you do not get your first choice.

NOTE: Application courses **grayed** in the first/check column may not be selected as part of your eight courses at this time; they will be added to your schedule later if you are selected for those courses. Schedules may change during the summer due to various reasons and students will receive finalized schedules on the first day of school.

If you would like more information about the registration process, all materials are located on the 2021-2022 REGISTRATION website:

- o To access this page – WCHS Website > Academics > Student Support Services
> Registration
- o Read both the Registration Directions and Frequently Asked Questions Link for additional information
- o All Rising 10th-12th grade registration documents can be found here

Special Course Considerations

- o Recommended guideline for honors and AP Courses is "A" in regular course or "B" in preceding honors course
- o Students must complete an AP Awareness Form with teacher and parent signatures to remain in course(s)
- o You must select the proper yearlong sections for both courses in any yearlong combinations offered
- o NCVPS is reserved for courses not taught at WCHS
- o Speak to your counselor for more information about NCVPS prerequisites
- o Career and College Promise (CCP) is for 11th & 12th graders only and requires a prerequisite cumulative minimum 2.8 GPA

West Cabarrus High School – 2021 Course Offerings

Rising 10th - 12th Graders

All Courses listed in BOLD text are AP courses and require an AP Awareness form

<p>Q: How do I know if I should take Honors or AP Level courses?</p>				<p>A: *If the following applies, you should consider Honors or AP level course:</p> <ul style="list-style-type: none"> ● Scored Level IV/V on EOCs, ● Earned grades of an A or B in previous courses, ● Need the rigor/credits for post-secondary plans, ● Or, ready to challenge yourself more academically. <p>Due to past performance, a waiver form may be required for Honors and/or AP level courses.</p>
