- Garden Club Meeting Monday March 20 after school 4-5pm in Ms Bartlett's room
- Congratulations to the students who made this year's boys soccer team. Teachers, please allow these students to report to the gym for a few moments after morning announcements are finished.
- Morning Announcement- The theme for Career & College Week today is, "Dress for the Job You Want, Not the Job You Have." It is great to see so many of you dressing for your future careers. As the College Posters are finishing up, students are encouraged to explore the different schools. We encourage you to remain OPEN-MINDED as you explore opportunities for your future.
- College & Career Week Fun Fact: Today's College & Career Week Fun Fact: In college, you pick a major. Think of it as your favorite subject. For example: If you want to study animals you could be a zoology major and you would get to pick classes just about animals. There are over 1,000 college majors to choose from! Thank you to all of you that participated in the College & Career Week. We hope you enjoyed all the activities.
- March is Irish-American Heritage Month, it was first proclaimed by the President, George H.W. Bush, and Congress in 1991 as a way to celebrate the contributions of Irish immigrants and their descendants living in the United States. March was chosen to coincide with St. Patrick's Day, March 17th, the Irish National Holiday. Today, nearly one in ten Americans proudly trace their roots back to the Emerald Isle. With hope and faith, the first immigrants crossed the Atlantic looking for freedom and opportunity. The journey has been one of strength and perseverance through adversity. Many Irish immigrants came to America to escape the great hunger but faced discrimination, prejudice, and poverty. Irish Americans largely contributed to championing safe working conditions, advocating for children's rights, fighting racism, prejudice, and income inequality. America

and Ireland will always be deeply connected through friendship and strong family ties.

- Many famous Irish Americans include:
- John F. Kennedy, Ronald Reagan, and 21 other US presidents
- Inventor: Henry Ford
- Astronaut: Eileen Collins
- Musicians: Bruce Springsteen, Kurt Cobain,
- Filmmaker: Walt Disney
