

7th Atlas Team Open House Information

Dear Parents/Guardians,

We would like to welcome you to the Atlas Team! Our mission this year is to work together as a team to have a successful year. Seventh graders are expected to always do their best and act responsibly.

Our team policies include the following:

- **Students will follow behavior expectations and norms outlined in our Student Handbook and in the CCS Policy Manual.**
- **Students will use strong digital citizenship standards while on their device.**
- **Teachers will have established times during which students can check in and receive support. Students are responsible for contacting teachers if they need additional assistance to be successful in class.**
- **Students are expected to turn in assignments on their due date.**
- **It is the student's responsibility to get make-up work for their classes.**
- **Students need to use the restroom and fill up their water bottles before coming to class.**
- **Students will receive two restroom passes each day to use if they need to leave the classroom for an emergency.**

Attached is a list of supplies that students need to try to have no later than **Tuesday, September 6, 2021**. Please make sure you buy the appropriate materials for each class!

We welcome any inquiries regarding your child. **Our preferred line of communication is email.** Students can contact us via email or Canvas message.

We look forward to getting to know each one of you this year! Have a wonderful school year!

Sincerely,

Ms. Herring and Mr. Southward
