

AUGUST

Third Grade 2022-2023

Wolf Meadow Elementary

ANNOUNCEMENTS

BOG stands for Beginning of Grade. This is a test that all 3rd grade students take in September across the entire state. This test will gauge what the students already know coming into 3rd grade. Please do not stress about this test. Basically, this test is a baseline. After we teach all year long, the students will take the EOG (End of Grade) test in May. We will see huge growth from the BOG to the EOG and that's what we will celebrate!

REMINDERS

- Please return forms given at Open House, or those received the first week of school, back to school. Thank you in advance!
- Important Dates:
- BOG Testing- Wednesday August 3rd, 2022
- Planning Day- NO SCHOOL FOR STUDENTS- Wednesday August 17th, 2022

WHAT WE'RE LEARNING

Reading: We are discussing how to become a good reader and increase our stamina

Writing: We are learning Narrative Writing

Math: We are finishing up Multiplication and Division and moving to Data.

Science: We are finishing up the solar system and moving to Landforms.
