

Summer Feeding June/July: Bus Routes

Families Making the Connection

Find Free Summer Meals for Kids and Teens

Hunger affects children's ability to learn. It puts them at risk for illness and other health issues. One hungry child is one too many.

Many students depend on school meals. What happens when school is out? N.C. Summer Nutrition Programs help make sure that children can get the nutritious meals and educational enrichment they need to return to school ready to learn. All youth 18 and under can receive free summer meals. No registration or ID is required. N.C. Summer Nutrition Programs are available at schools, public housing centers, playgrounds, camps, parks, faith-based facilities, libraries, medical centers, and other locations.

Help make sure no child goes hungry. What can you do?

Find nearby summer meals:

Text "FOODNC" to 304-304.
