

Family and Consumer Sciences Education
Safety Contract

Course: _____

Your child is enrolled in the Family and Consumer Sciences Education course indicated above and will have the opportunity to use various equipment, appliances and tools as part of the course instruction. Appropriate instruction in the safe and proper operation of this equipment is provided as part of class instruction. Students will be expected to pass a safety test prior to operation and use of this equipment. Although close supervision is maintained at all times, and safety precautions are taken through classroom rules and proper training; the "hand-on activities" in this class present a potential hazard. Therefore, students will sign a safety agreement and pass a safety test. Please complete, sign, and return this form to school. **After this form is signed, returned and your child have met all safety requirements; your child will be allowed to operate equipment, appliances, and tools in this lab.**

Student Agreement

I agree to observe all safety rules and procedures for safe operation of equipment, appliances, and tools. I further agree that I will conduct myself in a safe and professional manner in this course. I understand that failure to conduct myself in a safe and professional manner may result in my suspension from lab activities.
